

O Lord my God, You have performed many wonders for us.
Your plans for us are too numerous to list. You have no equal.
If I tried to recite all Your wonderful deeds,
I would never come to the end of them. –Psalms 40:5

FOR MUSLIMS

Our ministry goals:

- 1 To communicate the gospel effectively to as many people as possible, especially Muslims.
- 2 To motivate believers and churches to love all people, including Muslims.
- 3 Equip churches to share Christ effectively with all people, including Muslims.

Examples on how God is using us to bring Muslims to Christ

Because of your financial support, Christian materials were distributed to thousands of Muslims at three national Muslim festivals!

Samy taught at several churches and at The International Legacy Conference in Dearborn, MI. Samy, and a group from Calvary Chapel Bozeman, MT along with other believers, gave thousands of Christian materials to Muslims at the Dearborn Arab American Festival.

Recently Samy taught a seminar at Calvary Chapel Costa Mesa, CA to equip believers to effectively share Jesus with Muslims. Afterwards, he and the believers attending the seminar went to the Arab American Festival in Garden Grove, CA to share Christ and give thousands of Christian materials to Muslims.

After Samy spoke at several churches in Arizona, he and a group of believers gave thousands of Christian materials to Muslims at the Phoenix Arab American Festival held each October.

A few months ago, you came and spoke at our church. I purchased your book to give to Rose, a Muslim at the prison I volunteer at. This week I received an email from the Chaplain: "Rose came to see me with the book entitled *Glad News! God Loves You My Muslim Friend*. She had tears in her eyes. She opened the book where she had several turned down pages. We talked thru the readings, and she went on to say she wanted to join the Bible College that Chaplain Woodard conducts."

– Janet Reeder, Calvary Chapel Corona, CA

Samy, Great having you with us this past weekend! Thanks again for coming and blessing us! I just wanted to send you a follow-up email regarding some of the fruit that has already been born among us. After you shared in our second service, Pastor Frank and I were approached by four young women, one of whom was crying. When we asked what was going on, she stated that she couldn't believe what she was hearing. She was a Muslim from Libya and her whole family are Muslims who still live there. She had never been to our church before. She was touched by your message and after we shared the Gospel with her, she said that she wanted to pray to commit herself to Jesus Christ!

To think that God would send you to our church the same day that He sent a Libyan Muslim to our church in Chattanooga, TN is an obvious and beautiful demonstration of His love for her...and, she knew it! The cool thing was that she also came back that night for the follow-up seminar on "How to witness effectively to Muslims."

Also, one of my friends (Brett) who owns a Chiropractic center here in town also came to both the Sunday service and the follow-up seminar last night. Well, today at work, he "just so happened" to be visited by a new patient who is a Muslim. She shared with him (in tears) that she doesn't feel loved and doesn't know what to do in life! Talk about a "Divine appointment!" Well, Bret tells her that God loves her and that he will be praying for her to know His love. She was very open to his words of truth. So, he is also going to follow up with her by giving her a copy of your book to read! Truly, God is sending Muslims to our church and to our people, at least in part, because He knows that they are being equipped to love them and help show them the Way of Christ.

1 out of 4 people throughout the world is Muslim
In the past 50-60 years, more Muslims came to Christ than in the past 1400 years

By God's grace, Samy is equipping hundreds of students at Calvary Chapel Bible College, Murietta, CA to effectively share Jesus with Muslims.

Testimonies on how God is using us...

Samy Tanagho's insight into the Muslim mind-set and culture, although extensive, is not what makes him a great communicator. It is his passionate heart of love for people that sets him apart from so many others I've heard.

– **Dave Shirley, Director, Calvary Chapel Bible College, Murrieta, CA**

Samy visited with our congregation for four days. We hardly had a moment to rest as the Lord opened so many ministry doors. We were able to reach out to the lost and also equip believers for future work. Our amazing week with Samy was saturated with God's great heart to win Muslims to Himself.

The greatest door opened to us supernaturally at Montana State University when a secular on-campus group had previously (and unknown to us) scheduled an all-day "Islam in America" symposium. Having brought in Hussam Ayloush, Executive Director for Counsel on American-Islamic Relations (CAIR), they were intending to raise tolerance for Islam among the students. God had other plans! Samy, along with a group from our church was able to share in a very loving way with many students in attendance. We distributed nearly 100 copies of Samy's book to many Muslims, including Mr. Ayloush! God is great!

The Lord also used Samy to lovingly and convincingly equip believers at a series of venues throughout the week. By God's grace, doors opened for Samy to share at a local Mission's Conference, and at Montana Bible College, Heritage Christian School, and at our church. All who heard were very receptive, having hearts stirred to share the Gospel not only with Muslims but with all who are lost. I fully commend Samy Tanagho to you – and I look forward to serving with him in the future!

– **Pastor Ted Ethridge, Calvary Chapel Bozeman, MT**

(In a special meeting at the same university, Samy addressed Muslim students from Saudia Arabia)

You recently shared at our church, and I was so blessed. I love how you encourage believers to meet the lost where they are at, to find connections, and **build bridges**.

– **Stacy Lange, Ashland Christian Fellowship, OR**

The following letter was sent to all the Calvary Chapel churches in Arizona by Pastor David Landry, Calvary Chapel of Casa Grande, AZ:

Guys, Have you ever had a chance to meet Samy Tanagho (Glad News for Muslims Ministry)? We recently had Samy share on a Wednesday evening and he is coming back to our Fellowship to speak at all the weekend services.

He was a blessing to me personally to meet and spend time with and he has such a heart for the lost – Muslims and all others. He is a gracious Brother who speaks with a passion and sense of humor that kept our people engaged during the whole time. I have received many good comments about how the Lord stirred the hearts of our people during his meeting with us.

By God's grace, Samy has been equipping 1000s of Christians each year to share Jesus effectively with Muslims and others.

A message from Samy to our precious pastors

God put on my heart a message that will further motivate and equip the believers in your church to love Him, love their neighbors, love their enemies, and to share Jesus effectively with them. When I share this message on Sunday morning, I present the Gospel in a passionate way. Because of the education and experience God has given me, I also would like to equip your church to witness effectively to Muslims.

And He Himself gave some to be...teachers for the equipping of the saints for the work of ministry, for the edifying of the body of Christ. – Ephesians 4:11–12

A word from my heart

I know that our ministry brings much eternal fruits because: **1. God is with us, strengthening and guiding us. 2. God gave me the calling, passion, education, experience, and the most effective evangelistic tools. 3. God brings believers like you to pray for and financially support the ministry God called me to fulfill.**

Pray with me that God will send more partners to our ministry, so we can share Jesus effectively with multitudes of Muslims.

We also pray that God would provide a center (home) for our ministry which includes: a couple of offices, rooms to receive and train ex-Muslims, storage area, etc.... If God places it on your heart to help our ministry, you can contact us, or send
