

My Calling is to Focus On:

1. Sharing Jesus effectively with as many Muslims as possible
2. Motivating and Equipping as many believers and churches as possible to share Jesus effectively with Muslims

A. Again God used Glad News for Muslims Ministry (you and me) to help so many Muslims become followers of Christ. I can only share the following with you:

1 "Samy, It was a great blessing to meet you again in person and tell you all the wonderful things God is doing through your book. I've been using your book to teach my students how to evangelize and witness to Muslims for more than 10 years now. I've taught 23 men from Uganda, Kenya, Rwanda, Burundi, and South Sudan. They've taken the material and taught it to their disciples, which are more than 60 men.

We routinely, see between 50 to 100 Muslims a year make decisions for Christ because we've learned how to reach them, and share with them through the chapters of your book.

We lead them to a saving faith in Christ. Many are then baptized and join a local church. Having more copies of your books would be so advantageous to African pastors. As a leader within the Calvary movement in East Africa I can attest to the impact your book would have if put into the hands of every Calvary pastor in East Africa. The result would be thousands of Muslims being witnessed to effectively and won to Christ. Please find a way to do this. Most African pastors cannot afford to purchase the book. They are very poor financially, but rich in faith. I have a handful of books in our library on Islam and reaching out to Muslims, but your book is the most effective of them all."

Pastor Isaac Wootton

Note: God has been using our *Glad News! God Loves You My Muslim Friend* book in many languages and many countries to help thousands of Muslims become followers of Christ.

"Now to Him who is able to do exceedingly abundantly above all that we ask or think according to the power that works within us." Ephesians 3:20

2 I spoke at the three weekend services at One Love Ministries, Hawaii. After I shared the message that God gave me on Saturday evening, Pastor Derek announced to the church on Sunday morning that a lady attended the Saturday evening service and Samy prayed with her and she put her faith

Samy speaking at One Love Ministries, in Hawaii

in Christ as her Lord and Savior. I (Samy) met this lady and she told me with tears in her eyes, "I was influenced by Muslim teachers but God spoke to me tonight through the message that you shared."

The Message I had shared showed the difference between the description of God according to the Qur'an with what we have according to the Gospel.

According to the Qur'an:

- A - God's relationship with people is master to slaves.
- B - God's is an unpredictable judge. God does not guarantee to forgive sinners when they repent and never gives assurance of eternal life with Him, even if they try to obey Him sincerely.
- C - There is no evidence in the Qur'an that God has feelings of love towards people. God never expressed his love, God is empty of subjective love towards believers.

According to the Gospel:

- 1 - God made us His children.
- 2 - God passionately revealed His love for us.
- 3 - God made it possible for us to experience His love.

3 After I spoke at Desert Springs Church, CA The senior Pastor, Mark Cedar, called me and his voice was full of joy. He said, "Samy, I have to tell you, something really wonderful happened. I met a Muslim man. As soon as he knew that I was a Pastor, he didn't want to talk with me. I sent him your *Glad News! God Loves You My Muslim Friend* book that you gave me in Arabic. After he read it he called me and said, "I liked the *Glad News!* book very much. This book means so much to me." He invited me to go to Egypt with him and stay at his brother's hotel on the Nile River. Note: I believe we will spend eternity with this Egyptian man."

"Still other seed fell on good ground and produced fruit: some a hundred, some sixty, and some thirty times what was sown." (Matthew 13:8)

4 I receive many interesting emails which I reply to, such as: After Musab received information about Jesus from our website and book *Glad News! God Loves You My Muslim Friend*, Musab sent me an email from his Muslim country. "Samy, I want to be a Christian but it's illegal in my country, what do I do?" Note: We will spend eternity with Musab!

B. ETERNAL FRUITS FROM SPEAKING ENGAGEMENTS

God uses the speaking engagements and our whole ministry:

1. To **change the hearts** and minds of thousands of Christians towards Muslims from *negative to Biblical*.
2. **Motivate and equip** thousands of Christians to share Jesus effectively with Muslims.
3. The results: **thousands of Muslims understand the gospel every year!**

I will share with you a few of the comments I received:

1. "In 1990, I was a young man in the military. I remember making the statement, 'The only good Muslim is a dead Muslim.' After the military, Samy Tanagho came to our church. After Samy spoke the Holy Spirit convicted me and asked me to share the Good News. Samy's heart was on fire to give the Gospel to the Muslims of the world. The harvest is ripe!"

—Robert Lewis, Harbor Calvary Chapel, Aberdeen, WA

2. I equipped Chinese Christians to share Jesus effectively with Muslims and gave them free Chinese Material. And I challenged them to equip Chinese Christians in China. I received a card from one of their leaders. "Dear Samy, Thank you so much for speaking tonight, we appreciate your love and the passion for ministry among those who do not yet know Jesus Christ."

—Katie Wong, First Chinese Baptist Church

3. "Thank you, Samy and Hala for your powerful ministry of setting captives free. I saw Samy speak while I was attending Calvary Chapel Bible College, Murrieta and Samy's simple gospel of Love towards the Muslims really encouraged me and changed my thinking towards the Muslim community. After I heard Samy speak I went back to live in my home town, Brooklyn, New York and I was going to a very big college filled with many cultures and I began to pray and love the Muslim community more than ever before. Thank you Samy and Hala for your powerful message of Hope for those that are lost."

EXAMPLES OF Pastor's Feedback

After Samy spoke at 3 weekend services at Calvary Chapel, Amarillo: "Samy, I am so proud of you, brother. I was able to watch all of the services live. My heart was so blessed to see you and hear your message. You are proving to be faithful...."

—Pastor Bill Gehm
Senior Pastor of Grace Church,
Calvary Chapel Amarillo

Keep going Forward by faith in Christ." In Him,
—Christina Anderson, Secretary at Calvary
Chapel San Juan Capistrano, CA

4. "Samy's presentation helped me to understand Muslims and realize their need to know about Jesus. And we can help them when we approach them with love and help them understand God's love through Jesus."

—John Gorman

Global Media Outreach Internet Evangelist

5. From my mission trip to Virginia, one of the Christian ministers who attended my presentations has an active mass media ministry that communicates regularly with a very large number of Muslims. His focus was attacking Mohammad's life and actions. After he heard me speak several times he invited me and Pastor Blake Wood to lunch. And he told me, "I am happy that I heard you speak and I looked at your website. And I know God has been using you to help many Muslims become Christians. Samy, you helped me to change my approach — instead of focusing on attacking I will start by manifesting God's love to my audience and I will focus on Jesus. And I will try to use any common ground as a stepping stone to the gospel."

6. "Samy, After I heard your message, the Holy Spirit moved me to make more effort to reach my Muslim friends."

—Helen Neely, City Gate Church, VA

7. "Samy, I came with a heavy heart and heard your message. I was touched. I decided to love all people, all races, and to love Muslims."

—Toni Boggs, The City Gates Church, VA

8. "The message Samy Tanagho shared brought to me a completely new perspective on Islam and on dealing with Muslims. I believe now that they are the new additions to Christ's family. I know now how God can use us to set Muslims free from Satan's captivity."

—Ann Canter, St. Andrew United Methodist
Toms River, NJ

"And He Himself gave some to be...teachers for the equipping of the saints for the work of ministry, for the edifying of the body of Christ." (Ephesians 4:11-12)

9. I spoke at Hosanna Christian Fellowship, Bellflower, CA. God used me to equip the church to share Jesus effectively with Muslims. Some people received Christ and believed in Him as their Lord and Savior, others recommitted their lives to Christ. Our ministry (you and me) was able to give so many free books. Pastor Gary Anesdell told me, "Samy, the message was very good!"

10. "Dear Samy, Hi my friend. This is my testimony. One day you came to my church and you spoke and I was moved to reach Muslims and because of your encouragement I have done ministry to Muslims locally and globally. It has been so much fun looking to God for more ministry to Muslims. Thank you for all that you and your wife do. Keep fighting the good fight of faith."

—Ryan Medina, Water of Life Community Church, Fontana, CA

11. "Dear brother Samy, Your ministry started the fire in my heart to love Muslims, and share Jesus with them."

—Felipe Castillo, Calvary Chapel Fullerton

12. "Samy, God has brought me here to help me to break down my wall and pull me back to Him. I let Him into my life again."

—Tanner Traugher
The City Gates Church, VA

13. "Dear Pastor Samy, Thank you for traveling to Boise, ID to share the many gifts God has given you! We truly appreciated your teaching and the wisdom you shared at the Treasure Valley Missions Conference. I am certain the Lord moved and I am thankful for the way He spoke through you at the Conference. I appreciated your teaching about Cornelius in the Bible. What a great reminder that many are earnestly seeking God — they just need someone to deliver the Good News."

—Hallie, on behalf of the Treasure Valley Mission Conference Committee

14. "Samy, Your message helped me so much. For myself and as one that is on the leadership team at Faith Community Church, I ask the Muslim people to forgive me for my misconceptions. Please forgive me my Muslim friends."

—Karen Willi
Faith Community Church, Harrisonburg, VA

Pastor Bill Gehm, Samy, Rick and Patty Coburn
Two of my favorite Pastors who I saw at a TX Pastor's Conference.

Note: During my mission trip to VA, God answered our prayers in many ways — much more than I expected. For example, some of the leaders introduced me to Mustafa, an Iraqi Muslim man who drove two hours from Richmond, VA to come hear me speak at Faith Community Church, Harrisonburg, VA.

B. ETERNAL FRUITS FROM SPEAKING ENGAGEMENTS *continued*

God has been using us (you and me), this year and in the past 15 years, through many ways and methods including giving our evangelistic materials and my traveling, *to equip Christians from many different Evangelical backgrounds*, for example: *A letter was sent from one of the well known Salvation Army leaders:*

"I write to you to share my experience and thoughts on Mr. Samy Tanagho. I have worked with Samy since 2006 when he first presented a workshop to the members and friends of the Salvation Army Church at Tustin Ranch. This began a long ministry partnership and friendship between myself and Samy. Samy's presentation at that workshop and many others that he conducted for the Salvation Army was professional, informative and helpful. It opened up those who attended to a whole new perspective on reaching Muslims for Jesus. Samy has also conducted training seminars for me at the Salvation Army Churches, at Salvation Army Officers' Councils (Pastor retreats) and at the College for Officers' Training (Salvation Army Seminary). Samy has also presented and held training seminars for the Salvation Army, both on a regional and territorial level. Samy is passionate about his ministry for training Christians to be able to share their faith, particularly to Muslims. He is very keen to come alongside ministries such as The Salvation Army to help us evangelize the world. I would recommend Samy to be a part of any ministry team."

Lee Lescano, LT. Colonel

The Salvation Army California South Division

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." (1 Peter 4:10).

C. ETERNAL FRUITS FROM USING RADIO

Because of your financial support we are able to invest in Christian Radio and be used by God to impact the lives of large numbers of people. I received the following...

1 "Dear Samy Tanagho, I was converted to Islam but then I met Jesus, which caused my Muslim friends to attack my faith in Jesus and attempt to prove Christianity wrong. So I was struggling between both faiths to answer the questions of my Muslim friends. Then I heard your radio programs, they helped to strengthen and solidify my faith in Jesus. Your programs not only gave me a stronger Christian foundation, but it equipped me to share the Gospel effectively with my Muslim friends. Praise the Lord for this Radio ministry He has entrusted you with. God Bless you Samy!"

— Anthony Albizu, Minister at Calvary Chapel Bible Fellowship, CA

Note: Pray with me that God will bless our ministry with more financial partners so we can keep and expand our Radio Ministry.

2 I know that Muslims are growing rapidly on the East coast, so I decided to invest financially every month to broadcast our Radio Programs through the wonderful ministry of the Bridge Christian Radio, a ministry outreach of Calvary Chapel Old Bridge, which reaches huge numbers of people in New York and New Jersey (millions). I received an encouraging letter from Rob Taylor, The Bridge Radio General manager, after I spoke at the Bridgefest Radio Conference:

Samy speaking
at the Bridgefest
Radio Conference

"Thank you for teaching at the Bridgefest ... Your involvement made this event a success and helped further His Word to many who needed to hear it. Thank you for your Study time and for letting God speak through you! We saw many lives impacted, by responding to the Gospel at Bridgefest. It is so encouraging to see the fruits of the many months of labor and planning. All to the Glory of Jesus! Again, thank you for coming and being a part of the work the Lord did!"

I also received a card from the leader of the Conference, Senior Pastor of Calvary Chapel Old Bridge, New Jersey, Lloyd Pully saying "Samy, Thank you for being a part of Bridgefest! You are a blessing!"

3 "Hello, Samy. I am a Christian. Honestly, at times I am not a practicing Christian. I have been having hatred towards Muslims with the news reporting and the politics. I have been praying for the Lord God to help me with the anger I have towards Muslims... It's very difficult for me... I am ashamed. I was driving home after church and I heard your program. It warmed my heart listening to you preaching the love you have for Muslims. I feel God is guiding me with your program. I have just started reading the Word. Thank you sir." *—Armando Martinez*

4 *Together, you and I invest financially every month in broadcasting our radio programs over one of America's most wonderful Radio stations in Colorado, a ministry outreach of Calvary Aurora.*

Kevin, one of the managers at Grace FM, CO sent the following to many radio managers: "For what it's worth... We've been airing Glad News For Muslims (Samy Tanagho), the long program, for years, and have aired the 60 second feature for going on 9 months or so.

"There isn't a lot of apologetics-focused shorts like these, and certainly not to Muslims, so I highly recommend them. As the 60 second feature tends to focus on a doctrinal point and not on current events, I have been putting about 10-15 of these in a rotator, and replace the oldest 5 spots with a new 5 spots every week or so. Low maintenance. High impact."

5 "Dear Samy, I am so thankful for your podcasts! God has broken my heart for the Muslim world, specifically Egypt and Morocco. I'm reading your book and it has been so helpful and instrumental in my conversations with my Muslim friends. God provided a divine appointment for me here. Every Thursday I get to work alongside a new Muslim friend. Our friendship is starting to form and I am excited to share with him information I have learned from your book. I hope to give him a copy to read. I feel this is just the beginning of my work as a witness for God to the nations. Blessings and Salam Alakom."

*— Mikael Snook
Oahu, Hawaii*

C. ETERNAL FRUITS FROM USING RADIO continued

6 "Samy, You are such an inspiration to me. I can hardly wait for Sunday at 1:45 pm to hear you on KWAVE Radio Station. You always teach me better ways to share the gospel with all people regardless of their race or religion. Because of you and your ministry I feel I can talk more effectively about the one and only way to come to know God through His Son Jesus Christ. Your love for Muslims and all people is contagious. Keep up the great work and God bless you and your ministry!!! Much love from *Ralph Johnson of Glendora, CA*"

7 "Dear Samy, I always look forward to listening to your radio sermons and how to present Jesus to the Muslims who haven't heard. You are a brave warrior of Jesus our Lord & Savior. Thank you for helping me build strength and equipping me."

—Vera Asaro, Ocean Grove, NJ

8 I received an email from Ruth. "We are a university town and have a fairly large contingent of Muslims. We are wondering if a Muslim person heard one of your spots if it would bring them closer to Christianity or if it would drive them away?"

Ruth Younce, Engineering Aide, City of Pullman, WA

(Ruth is now broadcasting our radio programs on KRLF 88.5 FM)

9 Example of Radio Interviews: Samy was interviewed twice on 99.5 KKLA which is one of California's large Christian Radio Stations.

10 "Samy, I heard your Radio Program on 107.9 FM. It is an answer to my prayers, because I know a Muslim man and I don't know how to help him." —Shelley, Harvest Christian Fellowship, CA

11 Our ministry is also excited that we invest time and money into the wonderful Radio Ministry of **KWAVE Radio Network**. I received this letter from the managers:

“Dear Pastor Samy Tanagho,

On behalf of the entire KWAVE team, we want to thank you for your continued partnership in airing Glad News for Muslims on the KWAVE Radio Network. We count our relationship with you a privilege and your choice to invest in KWAVE to carry out your mission is not taken lightly by us as we seek to be good stewards of your investment in KWAVE.”

12 "Hi Samy, I am a Jewish believer in Jesus, and I listened to your presentation last week and listen to your presentation on Bott Radio here in St. Louis.

"I will request your presentation to give to my Pastor. I will contact Rich Bott at BOTT RADIO KSIV here in St. Louis to say how much I enjoyed hearing your program. Lastly, I have been listening to your podcast on your website and I must say that not only can you teach about Islam and the difference between Islam and Christianity, but Samy, you really explain Christianity in a most gifted way!!"

D. SATELLITE TV

I was able, by God's grace and your help, to record professionally 101 Videos about sharing Jesus effectively with Muslims.

You can watch them on our website. Also speak with your Pastor about showing them to your Church.

40 videos are 1 minute each.

61 videos are 30 seconds each.

Please pray with me that God will bring us more financial partners and open the door to broadcast the videos to as many people as possible in America and overseas. You can access them from our website and feel free to use them as God guides you.

• Go to our website under Guest Speaking. •

Erik Fritjofson, the Director of Programming at NRB TV promised to broadcast them. You can encourage them to continue broadcasting them.

Kim Deardorff, the NRB TV Manager of Production emailed me describing our programs as "wonderful." I hope they will continue broadcasting our videos.

We gave financial support to Christian Arabic Satellite TV Ministries.

I received the following letter from one of the Satellite TV Ministries:

"Dear Glad News for Muslims Ministry, Praise be to God who is faithful, good and always provides! And He is using you, your gifts and prayers mightily to reach the lost around the world. You are making a difference in the lives of many who watch."

Another Christian Arabic Satellite TV Ministry, ABN SAT TV Ministry sent us a letter:

"Dear Samy & Hala, Thank you for your generous gift to ABN SAT TV Ministry.

We are excited to be partners with you to bring God's Kingdom on earth as it is in heaven. With every seed we sow together, we will reap an abundance to glorify God. You truly are a blessing to ABN."

I sent my videos to be broadcast through this Christian Arabic Satellite Ministry.

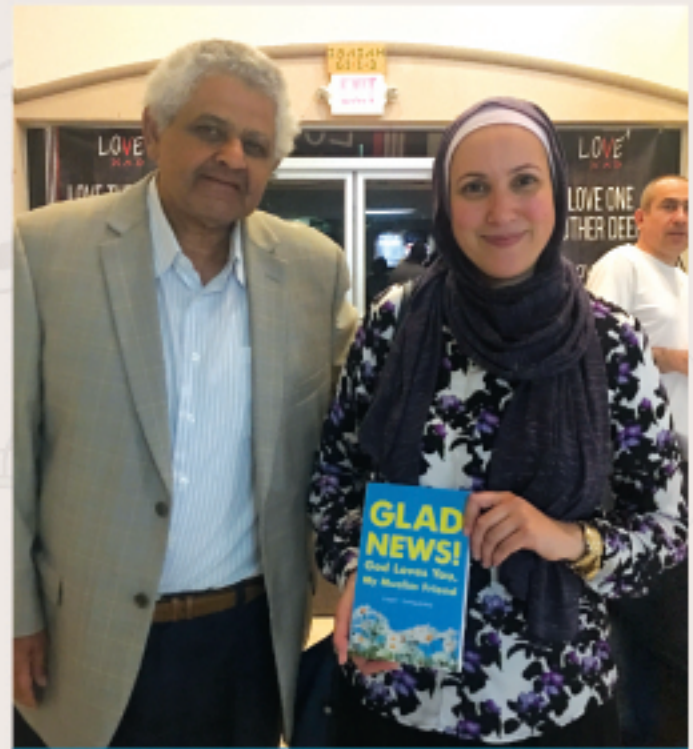

E. DIVINE APPOINTMENTS

If I told you all of them I would have to write a book! I can only share a few of them:

1. I met Veronica in my church. She told me, "Samy I recognize your voice from your radio program." She got a copy of our *Glad News! God Loves You My Muslim Friend* book and mailed it to her friend Nellie. Nellie read the book and prayed that God would help her to give it to a Muslim person. Veronica told Samy that Nellie called her and said, "After I prayed this prayer I discovered that my neighbor's husband is a Muslim and I gave her the book."
2. I shared at Calvary Chapel Costa Mesa in one of the meetings at the Fellowship Hall. I was able to place the *Glad News!* book in Muslim hands. I talked with many from the audience - one of them was a Iranian Muslim. I was able to ask him if he accepted Jesus Christ as his personal Savior. He replied that he was thinking about it. I gave him a copy of our Glad News book in Farsi. He was so excited to receive it, and promised to read it.
3. "Samy, after you spoke at my church, my Muslim friend called me and she was crying...."

—Daniel Fredrick, Harbor Calvary Chapel, WA

One of the Divine Appointments God gave Samy

The presence of Muslims in America and Europe is one of the greatest challenges and opportunities God has been giving to His Church today.

4. I (Samy) was invited to go to Virginia to speak in a few churches and to **meet with Muslims and eat with them.**

My flight was 7:25 am and the only available super-shuttle Taxi to pick me up was at 3:25 am.

I only got 3 hours sleep and during my flights I prayed as usual for divine appointments.

My first flight arrived at Houston, TX. I asked the United employee, "Do you have a seat where no one is sitting next to me?" She said, "Yes, I have one seat in front of the airplane." I took it. This was the seat that enabled me to experience the Divine appointment God had for me.

Sitting across the aisle to my right was a dark skinned man. On his way back from the

restroom, before he sat down, I looked at him with a smile and said, "Salam Alakom. (Which means - peace be upon you.) Let me guess, you are from the Middle East, like me." He replied, "Yes I am from Kuwait, my name is Fahd Al Motery. I am studying Political Science in Houston, TX and will go back to Kuwait after I finish my studies."

I told him "God guided me to sit close to you. He also guided me to write a book titled *Glad News! God Loves You My Muslim Friend*. Would you like to read it?" I showed him the book. He said, "I don't have cash to buy it." I replied, "I would still like to give it to you if you have a desire to read it."

He took the book with a smile, sat down in his seat and started reading.

The airplane landed. As we were getting off the airplane, he walked slowly with me and asked me, "Samy, have you heard about my family, Al Motery family?" I replied, "No." He said, "It is one of the richest, most famous families in the Arab world. A very important job is waiting for me when I finish my studies."

I smiled at him and said, "Now I am sure that you will pay our ministry for the book after you get a job." We both laughed. Then I said "I am honored to meet you, Fahd. I am grateful that God gave me this divine appointment." He said, "Shokran," which means, thank you.

• Pray with me that God will continue His work in and through the Al Motery family.

F. SAMY'S FAVORITE THINGS TO DO!

- 1 During the year, I love to visit as many Mosques as possible and make myself available for divine appointments. For example, I developed a good relationship with a few Muslims in Harrisonburg, VA. They invited me to go with them to their Mosque and eat with them. During the time I spent at the Mosque, I was able to give copies of my Glad News book, CDs and DVDs to many Muslims whom I encountered. Many of them expressed their desire to understand our Christian faith!

- 2 I go out and visit Shopping Centers, Malls, supermarkets, etc... and pray that God will give me Divine Appointments. God answers, and I give my evangelistic materials, especially *Glad News! God Loves You My Muslim Friend* book to Muslims in many languages.

I spent a meaningful time with these Muslims at one of the Mosques I visited.

Note: I live in Orange County, CA, where hundreds of thousands of Muslims live. And hundreds of thousands of Muslims come to visit Orange County, CA every year. There are also hundreds of thousands of Muslims next door to me in Los Angeles, CA.

Even though we live and have our office in a 940 square foot Condo, I love the small home God gave us, because I am in the midst of a mission field. God placed me where He can use my life in the most effective way possible.

NOTE: You too! Your life will be interesting and meaningful when you take advantage of the divine appointments God gives you, and allow God to use you as much as possible.

God gave me favor with these women at one of the malls in Orange County, CA and I was able to give them our *Glad News!* book which they placed on their table.

The presence of Muslims where I live in Orange County, CA is a great opportunity and a challenge that God is giving me to share Jesus effectively with them.

Samy with his friend John at a shopping center giving Christian material.

"Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God." (2 Corinthians 5:20)

We (you and I), through Glad News for Muslims ministry, share the Gospel with people who do not have churches among them, where the truth of God is not being proclaimed, where people never had a chance to understand the Gospel.

G. SENDING MATERIAL

Our Ministry (you and me) is reaching Muslims who comprise the largest Unreached People Group in the World. (They don't have churches among them).

God enabled us this year as well as in the past 21 years to send large amounts of evangelistic materials such as books & CDs to Europe, Africa and many countries in the Middle East such as Jordan, Sudan, Lebanon and the Holy Land.

Here is an example of emails I receive:

"Samy, As we ministered in Jordan we had 85 copies of your book *Glad News! God Loves You My Muslim Friend* in Arabic.

We took them with us to the City of Petra.

The Lord opened so many doors into hearts that have been taken captive by Islam as we manifested the love of Jesus and handed out these books.

We started our journey by entering Jordan through the port City of Elat, and then driving up into Amman and then Petra.

We brought copies of your book through the Jordanian checkpoint there and the officials did not even question the books as they opened up my suitcase and said, "It is OK."

The Lord gave us such favor with these checkpoint guards as they were so happy to find out we were bringing Good News from America!!

After a long drive north we reached Amman and then Petra, and the Lord moved in such wonderful ways as we opened the gift of Salvation through Jesus Christ by handing out these books!

Some started reading them right away and immediately started asking us many questions.

One gentleman with a very serious look on his face asked me as he looked at the table of contents and rubbed his chin,

"Who are you to tell me God Loves me?"

It was just amazing as the Lord's Truth penetrated his heart and the City!

I so look forward to seeing some of these people in God's Kingdom as they tap me on the shoulder and say, 'Hello again, brother! Praise God that I came to Salvation in Jesus through His wonderful message communicated through *Glad News* book!'

Thank you Samy for allowing me the honor of being part of your ministry!

The Lord bless you, Steve Burns "

Note:

The Lord of the harvest has been moving Muslims out of their countries to come to America. We must be intentional in sharing Jesus effectively with them.

- We have been used by God in Jordan to train Arab Pastors and Muslim background believers on how to share Jesus effectively with Muslims.***

Through our website and Radio Programs, and sending *Glad News! God Loves You My Muslim Friend* books, God has been using us (you and me) to **equip** Christians and Pastors in many parts of the world to answer Muslim's biggest questions about Christianity.

Glad News[♥]

for Muslims

As-Salaam-Alaikum my Muslim friend,

God loves you so much, and He wants to embrace you as a father embraces his child.

Yes, God wants you to become His child. He wants to have a close relationship with you, based not on fear but on mutual love.

God promised you in the Gospel,

"To all who did receive him [Jesus], to those who believed in His name, He gave the right to become children of God." John 1:12
