

**A word from my heart...** I know that our ministry produces many eternal fruits because:

1. God is with us, strengthening and guiding us.
2. God gave me the calling, passion, education, experience, message, and the most effective evangelistic tools.
3. God brings believers like you to pray for and financially support the ministry God called me to fulfill.

Because of God's grace and your support I am (we are) used by God to help many Muslims enjoy God's love and salvation. Pray that God will send our ministry more **financial partners** to enable us to share Jesus with multitudes of Muslims. **We also pray that God would provide a center (home) for our ministry** which includes a couple of offices, storage area and rooms to receive and train ex-Muslims. If God has put it on your heart to partner with us, you can contact us or send your tax-deductible donation to our address below. God will richly reward you.

#### A message from Samy to our precious Pastors

Since **1 out of every 4 persons** living in the world today is a Muslim, and because Islam is growing very rapidly all over the world, including America, I would like to ask you to allow God to use me to equip your church to share Jesus effectively with her neighbors, including Muslims.

*And He Himself gave some to be...teachers for the equipping of the saints for the work of ministry, for the edifying of the body of Christ.* – Ephesians 4:11–12

# GLAD NEWS FOR MUSLIMS

Those who plant in tears will harvest with shouts of joy. They weep as they go to plant their seed, but they sing as they return with the harvest. –Psalms 126:5-6 NLT

## Our calling and goals are:

- 1 To love and share Jesus effectively with as many people as possible, especially Muslims, and
- 2 To motivate and equip believers and churches to do the same.

**By God's grace, my wife Hala and I labored; I traveled continually all across America and Overseas to witness to Muslims and to speak every Sunday in a different church. I can't share every praise report we received. Here are some of them :**

### God gave me the opportunity to use Arabic Christian Satellite TV to share Jesus with multitudes of Muslims.

I met for two hours live on Arabic Christian Satellite TV with two PH. D. Muslim Imams. The topic of discussion was Jesus. They thought it was easy for them to prove that Jesus is just a prophet. They were greatly amazed when I presented the evidence from the Qur'an and the Bible that proves that He is more than a prophet: He is God made manifest in the flesh and He is our only Savior.

The evidence I presented to our audience included: According to the Qur'an and the Bible, Jesus is: **1.** The Messiah, **2.** The Word of God, and I explained what these titles meant, **3.** The Qur'an says that Jesus is "a Spirit from God", and we believe that God is a Spirit and Jesus is united to God in One Spirit throughout eternity and He humbly took an additional nature – a human nature and came to our world. He had two natures: divine and human united in one person, **4.** The Qur'an agrees and states that Jesus was born of a virgin through the Holy Spirit, not through a human father, and, **5.** Lived a life without committing one single sin, etc...)

The two PH. D. Muslim Imams were: Dr. Sheik Aziz Abdin, Los Angeles, CA and Dr. Sheik Marawan Saad Al Dein from Arizona. Our audience was tens of millions of Muslims all over the world. We received so many phone calls from Muslims and people overseas.

**My name is Malak...I have always been a Muslim.** Let me say that since I read your book **I fell in love with God.** I am now happier than before. I saw and felt what I haven't seen nor felt before: God's love for me and I have a problem now- I am falling in love with Jesus. **And the last email Malak sent me:** Thanks for helping me experience and enjoy God's love and salvation. I am planning to buy your book in Arabic so that I can give it to my parents when I go visit Lebanon. Your book has changed the way I look to God **and certainly changed my life.**

**I met Malak when I spoke at Calvary Chapel Tallahassee, FL, and I introduced her to the whole church during the second service. It was an extremely joyful and emotional day for many believers. Tears of joy filled my eyes.**

Hello Samy, we were really blessed by your presentation and knowledge in how to minister to our Muslim friends in our community and around the world. **We really got some great response from our fellowship!** God is truly working through you my brother. The message you share of God's love and salvation is very compelling and encouraging! **You fired up our congregation with your excitement and love!** We love you Samy and look forward to having you out again and do a live broadcast on our radio station here...

– Senior Pastor Rick Skelton, Calvary Chapel Victor Valley, CA (big church)

## Highlights from my mission trip to the Middle East

Pastor Dave Shirley, the Director of Calvary Chapel Bible Colleges, invited me to go to Israel to teach the students at Calvary Chapel Bible College in Jerusalem. Course title: **Islamic Apologetics: The Uniqueness of Jesus.**

It was a perfect opportunity for me to pour out my life and give them as much information as possible. I shared with them over 35 years of my life experience in sharing Jesus effectively with Muslims. My wife Hala, an ex Muslim, shared with Palestinian Muslims on how she was thrown in prison in Egypt for her faith in Jesus and almost lost her life. There she met three ex Muslims in prison and they decided to pray and sing Christian songs. God used them to help many Muslim prisoners to get saved.

Dave Shirley, Director of CC Bible Colleges wrote me that he received many praise reports from the students, and Doug, the Director of the Jerusalem campus, emailed me: **"Samy, the students were so excited right up to the last minute before leaving. They were running out sharing their faith with the Muslim friends they made... so great."**

I received invitations to speak at Bethlehem Bible Seminary, Nazareth Bible Seminary, Arabic churches, Calvary Chapel Golan Heights, and in meetings that included Muslims. The President of Bethlehem Seminary and other pastors, thanked our ministry for donating thousands of Arabic books to them. They confirmed to me that they gave these **books to thousands of Palestinian Muslims. Over 100 Muslims**
