

I am the Good Shepherd... I have other sheep, too, that are not in this sheepfold. I must bring them also. They will listen to my voice, and there will be one flock with one shepherd. – John 10:14–16

# GLAD NEWS

For Muslims Ministry Praise Report

By Samy Tanagho

## My Calling is to Focus On:

1. **Sharing** *Jesus effectively with as many Muslims as possible*
2. **Motivating and Equipping** *as many believers and churches as possible to share Jesus effectively with Muslims*

### 1. Again, God used Glad News For Muslims Ministry (you and me) to help so many Muslims believe and follow Christ

**Almost all the Muslims that decided to follow Christ do not want to announce it to the world. However, I can share with you some testimonies:**

- I was invited to share at a meeting for ministry to Muslims (COMMA meeting) an Iranian man smiled at me and said, Samy, God used you to impact my life and help me believe in Christ and follow Him.
- I spoke at North Point Evangelical Free Church. God blessed the message and gave me favor in the eyes of many believers. They took our evangelistic materials and *Glad News!* book to give to Muslims. **Note:** *I spoke before a group from the church*

*visited a mosque in their area.* I received an invitation from one of the members Cornel and Vicky Boitor to meet with two young young Muslim men. God enabled me to answer their questions and help them understand that Jesus died to pay the penalty for their sins. I asked them if they would like to pray with me to put their faith in Jesus Christ and to repent of their sins. They both agreed and I led them in the sinner's prayer.

Samy baptized Youssef

#### I received an email:

• Hi Brother Samy, I am glad to give you wonderful news. You know that I was born and raised in a Muslim family and I was searching for the truth. Thank you for giving me your book, *Glad News! God Loves You My Muslim Friend*. After I read it, I understood so many things more clearly. Thank you for meeting with me and eating lunch with me, for talking to me about Jesus, for answering my questions and also for praying with me so I could put my faith in Jesus Christ. I understood that he died to pay the penalty for my sins and I opened my

heart to Jesus, when we prayed together. I am so happy that I am God's child now and that God is with me. Pray for me.  
- Youssef Asmine, a Muslim from Morocco

### **God used you and me to save a Folk Muslim who was involved in the practice of magic and sorcery:**

• Shalom Samy and Hala! "Thank you so much for your message! ...I spoke to her and gave her information from your book. She now has given her life to Jesus and has burned all the occult material she had. She is now able to talk to Jesus and read The Bible. I wouldn't have known how to help her without your help and without reading your book. Your book was a great blessing to me and my husband Lee. We have been watching your teaching videos also and love you! We went in prayer through Leyla's beautiful home, room by room, and praised Jesus and thanked Jesus for His blood that takes away our sins. She broke down and cried and asked the Lord for forgiveness when she thought how she used to talk to spirits in that place. Her husband is a traditional Muslim who fears God. May God be praised in the life of these Bosnian Muslims. Jesus loves them. May Jesus protect and bless you."  
- Outi & Lee

**Note:** Huge numbers of Muslims practice Folk Islam. Folk Islam's domain is spirits, demons, blessings, curses, and healings. They believe in the evil eye. They practice rituals to ward off evil and curses. They believe in magic. One of the powerful points God guided me to write in my book *Glad News! God Loves You My Muslim Friend* is: I proved that Muhammad fell under the effect of evil spirits but Jesus displayed power over all evil spirits. Mark 5:1-12.

### **God used you and me to help a large numbers of Muslims overseas become believers and followers of Christ, I will give you an example:**

• Pastor Francis Okida sent me an email on behalf of 53 Muslims and they asked him to communicate to me the following:

Dear beloved Servant of God Samy, we are writing this letter jointly. We are 53 Muslim youth and we are writing this letter to testify that the Lord is good to us because He has saved our souls. We are formerly Muslims and the Lord Jesus Christ transformed our lives from darkness to light as a result of reading your book and listening to your radio program on the web site. We realized we once believed the wrong way and that Jesus is the only way, the truth and the life. Jesus is the only way to salvation. We thank Him and we give glory to God because our lives are not the same any longer. As new converts, please help us to grow spiritually.

- Pastor Frances Okida, East Africa, Kenya

• After I spoke on the Sunday morning service at Calvary Chapel Barstow, an Iranian man in his 50's approached me and

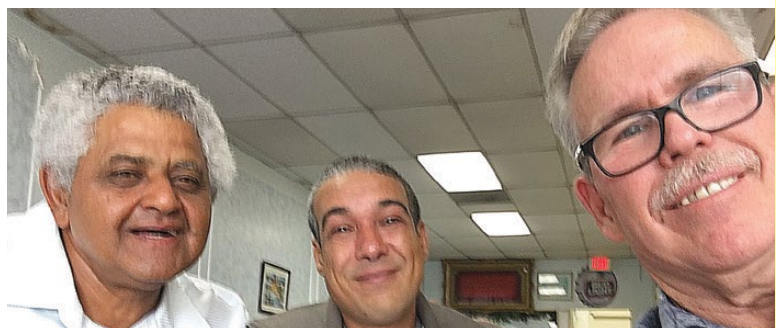

said, "Samy I drove today many hours to come hear you speak. I was a Muslim and God used you to change my life. Now I believe and follow Jesus Christ." - Edward Pourjalali

• Many months after I spoke at one of the Salvation Army Churches, Cynthia Benitez, one of the church members informed me that she gave our *Glad News!* book to her Muslim friend, who informed her a few months later that she read the book and decided to believe in Christ and follow Him.

### **God is using you and me to prepare Muslims to believe in Christ and follow Him, for example:**

• God used our *Glad News!* book to answer the questions many Muslims have about our Christian faith, to remove the rocks from the field, to cultivate and soften their hearts. I received an email from Tamara Rivera of Calvary Chapel E. Anaheim saying that she gave our *Glad News!* book to an Iranian Muslim after he read it, he put his faith in Christ at an evangelistic event. I am assuming that God has been using our evangelistic materials to prepare and open many Muslim's hearts to believe in Christ.

• I saw Pastor Jeff Fadness from Calvary Chapel Pocatello, at a Pastors Conference in CA. He greeted me warmly and told me that Munther from Saudi Arabia read *Glad News!* book and now he is open to the Gospel. "Samy, God has been using your

*Glad News!* book in a powerful way and we thank you that your ministry donated 100 books to be given to Muslims in Idaho and to Muslim students at Idaho State University."  
- Pastor Jeff Fadness, Calvary Chapel Pocatello

### **Sowing seeds of God's word, for example:**

• I gave two books (English and Arabic) to Pastor Mike Carman from Oasis Community Church in Anaheim. He gave the Arabic book to his Muslim acquaintance Ahmed.

• Ahmed told Pastor Mike, "I am fascinated with *Glad News! God Loves You My Muslim Friend* book." Ahmed has been reading the book for a few days and said that he is very excited to read it. Ahmed asked Pastor Mike, "Is there any way you can help me to meet Samy? I really like his book."

**Note:** We had lunch and discussions the whole day

### **God connects us with the right Christians**

• Dear brother Samy, It was so good to hear you at Mission Calvary. Your joy is contagious. We have an outreach from Calvary Chapel La Mirada. We meet in the center of what is now referred to as "Little Arabia." We are praying for the Lord to open doors of outreach into the large Muslim population in the neighborhoods. We would be excited to have you come and share at our church. Any thoughts you have for engaging the Islamic community would be helpful. - Michael Duke

**Note:** God used our ministry to motivate and equip them

## 2. Divine Appointments:

I can't tell you all of them, but I can share a few of them:

### 1. United Airlines

I was on my way to speak in a church. I arrived early Saturday morning at the airport, and I discovered that my flight was cancelled. My next flight was delayed. By

God's grace I made it to San Francisco to take my connecting flight. Again, the San Francisco flight was delayed.

My wife and I were praying that the flight would not be cancelled so I would not miss my speaking engagement at the church on Sunday.

After I found out that the next flight was not cancelled,

I asked for an aisle seat. A United Airlines employee told me that she had only one seat left at the very rear before the last row of the plane. I took that seat.

I boarded, and was praying for a divine appointment because I was not having fun at airports. I quickly discovered that the person behind me was a Pakistani Muslim. After a short talk, I took one of my books, *Glad News! God Loves You My Muslim Friend*, from my handbag and gave it to him.

### 2. Syrian Restaurant

I was scheduled to speak, on Sunday morning at Mercy Gate Fellowship in Anaheim, CA, and teach a seminar in the evening as well. After I spoke in the morning, Pastor Jay Gaither asked me, "Where would you like to have lunch?" I replied, "Let us pray so that God will guide us to the right place to eat."

I took Pastor Jay in my car and we drove for a few minutes until I saw an Arabic sign for a Syrian restaurant which grabbed my attention. I told Pastor Jay that we should eat at this restaurant, he said, "I don't see a restaurant," I replied that I saw a sign written in Arabic and the restaurant was most likely in the back of the building. I parked the car and took our evangelistic materials with Hala's DVD. (Hala is my wife and an ex Muslim who was thrown in prison in Egypt because of her faith in Christ.)

Pastor Jay asked me, "When are you going to give these evangelistic materials away, before or after we eat?" I replied, I don't know. Let us pray that God will guide us. Before we entered the restaurant I noticed that a man in his 50's got out of his car and was walking toward the same restaurant. I smiled and greeted him, saying, "Salam Alakom, have you eaten here before? My name is Samy," He replied with a smile, "I am Ali." After a couple of minutes of small talk, I told him that I grew up with Muslims in Egypt, I love Muslims and God guided me to write a book titled,

*Glad News! God Loves You My Muslim Friend*, to help Muslims enjoy God's love and salvation. Ali, if you are a Muslim and you like reading, I will give you a book as a gift. He smiled and asked me to show him the book and said, yes I am a Muslim. After he looked at the book and read for a couple of minutes, Ali told me that he was an Iraqi engineer and said that he would love to read my book.

I signed the book and wrote: "It is a joy to have met you Ali, I hope you will enjoy God's love in a personal and deeper way." Then we all went into the restaurant.

While we were eating, I had some good conversation with one of the Muslim waiters from Syria. So before we left the restaurant I gave the waiter, Hala's testimonial DVD.

Pastor Jay was born and raised in Anaheim, and he told me that his city has changed. He said that most of the people that were living here were white Americans, but now people call it, "Little Arabia" because there are tens of thousands of Arab Muslims living in Anaheim.

After I taught the seminar, Pastor Jay told the believers, "I watched Samy give his evangelistic materials to Muslims today. What Samy did is a good example for us

to follow." Pastor Jay took many copies of the *Glad News!* book and *The*

*True Love* book. I also gave the believers in his church many DVD's and evangelistic materials.

After The Seminar, we prayed on our knees that God would use us to share Jesus with as many Muslims as possible in Orange County, CA. There are hundreds of thousands of Muslims living in Orange County, where we live.

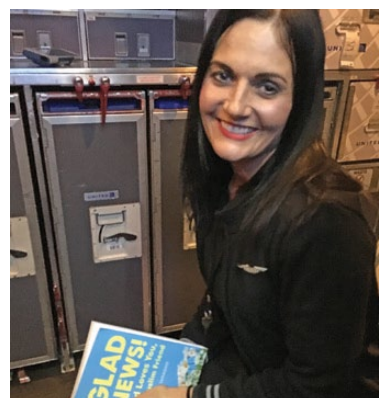

### 3. Jamie, Flight Attendant

As I entered my United Airlines flight, a nice flight attendant greeted me. I greeted her saying, "Thank you for your beautiful smile. I needed it today after several cancelled and delayed flights." Later she asked me if I was an Egyptian. I said, "Yes, and you are not only beautiful, but also smart." She then said, "shokran", which is an Arabic word that means, "thank you". I said, my name is Samy, she said I am Jaime.

During the 5-hour flight she spoke to me a few times, using Arabic words. About 25 minutes before we landed, I asked her how she learned Arabic? She said that her husband was Moroccan. I asked her if he was a Muslim? And she said yes. I shared that I had a terrific book for him, I asked, "Can I show it to you?" I gave her a copy of my book, *Glad News! God Loves You My Muslim Friend*. She read the words on the back cover and with tears in her eyes, she said, "Samy, I used to be a Christian, but I fell in love with a

**The Lord directs the steps of the Godly.**  
- Proverbs 37:23

Muslim man and I had to become a Muslim. They changed my name to Bahia, a Muslim name, Samy this book is good not only for my husband, but also for me. I want to read it first." I told her, I thanked God that we had met. She went to sit down at the very back of the airplane and started to read the book. As the airplane was landing, I looked at her and I saw her reading the book. I prayed again, "God forgive me for not being happy to spend the whole day at airports. Next time I will have more faith."

**4.** Anand, a member in my church, Calvary Chapel Costa Mesa, is an owner of a printing business. After I finished with him one of our printing jobs, he took me to a Middle Eastern restaurant because he wanted me to share Jesus with the Muslim owner. After we ate, I noticed that one of the workers looked very Egyptian, I started to talk with him his name was Muhammad.

During our conversation, I discovered that Muhammad was a very committed Muslim. We spoke for about 20 minutes about God and politics. Muhammad agreed to read our, *Glad News! God Loves you My Muslim Friend* book. A couple of months later, I found out that Muhammad really liked reading what I wrote about God and Jesus. I was happy to know that, at least seeds of God's Word were planted in his heart and mind.

#### 5. A Trip to Target

One day, my wife Hala, was feeling so weak (her prison experience in Egypt negatively impacted her physical condition) she asked me to take her to the Target store. As soon as we parked our car, we saw an Egyptian looking man looking at us, as he heard Hala speaking to me in Arabic. He was about to enter his car that was right next to ours. Hala smiled at him and greeted him then he started talking to her. We introduced ourselves and he said, "My name is Ashraf."

We discovered that he was just recovering from cancer and he had 5 children and no job. I asked him if he was a Muslim and he said, "Yes." I started talking to him about God's love and he said he needed immediate financial help. Hala gave Ashraf a \$200.00 Target gift card and she started to talk to him about Jesus. He replied, saying that all the prophets

are the same, they are sent by God. Hala shared with Ashraf some of Jesus' uniqueness such as His virgin birth and that He lived His life without committing one single sin.

Ashraf started saying that he was a good man and that he fears God. So I explained to him that all of us have sinned and are separated from God because of our sin. He agreed with me and I shared with him that "God sent Jesus, the only one who is pure from sin to pay the penalty for all the sins we committed. Ashraf, if you put your faith in Jesus that He is your Savior who paid the penalty for your sins, you will experience God's forgiveness for all your sins." Ashraf said, "I have to go to help one of my children." Before

he left, I gave Ashraf our book and CD, and we prayed for him and he left.

Afterwards Hala told me, "Ashraf was my fish. You spoke to him more than I did. I am the one who asked you to take me to Target, but you are the one who dominated the conversation." I replied, "Hala, I am the one who drove the car, without me, you couldn't go to Target."

Amazingly, we saw Ashraf again several more times in different places and God gave Hala and I many more chances to share Jesus with him; at least four more times. He marveled that we kept bumping into each other. I told him don't be surprised, all these are divine appointments, not only does God want to use us to meet some of your financial needs, but God wants you to become one of His children through faith in Jesus. We helped Ashraf financially as much as we could again, and Hala invited him to eat. Then I told him if he puts his faith in Jesus he would become a child of God, and God would guide him and take good care of his needs. I shared with Ashraf:

John 1:12-13 **But as many as received Jesus, to them God gave the right to become children of God, to those who believe in His name: who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.**

**6.** She said, she didn't know why she picked up, *Glad News! God Love You My Muslim Friend* book. She mentioned it had been on her shelf for a couple of years. Then she told me that her sister said that she met a Muslim man who had been having a very hard time. She took the book and gave it to him. He was so happy to receive it.

- Lisa Rodriguez, Calvary Chapel West Oahu, HI

**7.** Samy, "We met 10 years ago. You gave me your book, *Glad News! God Loves You My Muslim Friend*. Now I'd like to pay you for the book. I met a Muslim from Turkey and I will give him your book. He asked me to be his friend. He owns a hotel." - Mustafa Yucei

#### 8. Orlando Praise Report

Before I arrived in Orlando, Florida, I felt a strong desire to go directly to a mosque. I texted Jesse Padua who was picking me up to tell him I wanted to go to a mosque as soon as I arrive. After we met at the airport, he asked me, "Are you hungry?" I immediately replied, "I am starving! My airplane departed at 6:45 a.m. I did not have breakfast and I did not have any time to have lunch because I only had 10 minutes to run to catch my connecting flight. I am ready for dinner. However, Jesse I have a strong desire before I eat to go to a mosque and give my book as a gift to as many Muslims as I could."

Jesse was a wonderful believer, he said, "Sure I like this idea." We then started looking for a mosque in the internet after we prayed for guidance and that God would use us. Then we drove a little more and found 2 Muslims walking, I asked Jesse to stop the car, I

greeted them and I gave them my book. We asked them where we could find a mosque. They gave us directions to a big mosque.

Sometime later, we arrived at the big mosque and I greeted the first man we met with, Salam Alakom (Arabic phrase that means peace be upon you). I asked him if I could meet the Imam. He told me the Imam would arrive within half an hour, and I was welcome to wait for him. Many Muslims started coming to the mosque, I developed a good relationship with them quickly and I gave away a few books. They insisted that we stay.

**Proverbs 16:9 says: In his heart a man plans his course (plans his way) (make his own plans) but the Lord determines our steps.(directs his steps).**

The Imam came and we met. God gave us favor with the Muslims I gave my book to, and they were happy to receive the book. They invited us to stay and join them at the big youth event that would happen at the mosque in a couple

of hours to raise funds to help the Syrian refugees. They insisted that we stay and it would be followed by dinner.

Within couple of hours the big room where this event took place were filled with young people. I cried to God to let me address them and share Jesus with all of them from the pulpit. I asked Jesse to pray that they would give me a chance to speak to everybody from the pulpit. I introduced myself to the young leaders of the event as an Egyptian attorney who grow up with Muslims and love Muslims, I requested to speak for 10 minutes. I asked my wife Hala to pray that God would give me the words to say.

God gave me a chance to speak and share the gospel, from their pulpit, with about 100 Muslims, most of them young people. I shared with their leaders and all of them, that "I desire to improve the relationship between Muslims and Christians."

I shared from the pulpit "that we as followers of Jesus Christ have a different way of worshipping God than Muslims do, but we also have some common ground with Muslims. We both believe in the creator, one supreme God who created everything. We both fight against

abortion and consider homosexuality as a sin, we both believe in doing good works".

We should love each other and try to understand each other and respect each other in spite of our differences. Yes, our faith is not exactly the same. Muslims believe in doing good works to please God and they depend on their good works to enter heaven.

We as followers of Jesus Christ like Muslims believe in doing good works. However, we know from the Bible that we are sinners and we cannot enter heaven because of our good works. God knows we can never be perfect enough to deserve to enjoy His presence in heaven forever, therefore God manifested His love for us through sending Jesus to pay the penalty for everything we did wrong. All He asks us to do is to repent and receive His love and grace through believing in Jesus and receive Him into our hearts as our Savior. And as result of having Jesus in our lives, God's Spirit enables us to do good works.

I showed them my book from the pulpit. More Muslims asked me for my book.

After I spoke, many young Muslims asked to speak with me privately. God gave me many Divine appointments in the same evening. God rewarded us with delicious dinner. I fell in love with God more who used us and rewarded us for not preferring to eat dinner when we were hungry, but we decided to seek to serve Him first. Oh the food tasted so delicious.

I gave it to them and I invited them to come hear me speak on Sunday morning and night, at least 2 young Muslim leaders attended my seminar at Calvary Chapel Orlando the next day on Sunday night, one of them is Sameer Jagani, who was the main speaker in the event, say a prayer for him.

The more I live, the more I realize that God is the one who is doing the ministry not me. I could not have possibly organized this ministry opportunity, and receiving claps and many thanks from so many Muslims, after I shared Jesus effectively with them. There was no hint (insinuation, suggestion, sign, indication, signal) of compromise.

God plans and orchestrates, He gives me the joy of being used by Him.

9. Hello again Samy, Thank you for your message and your encouragement. My husband had some people stop him as he was taking our two miniature donkeys out with the cart for a ride the other day. They were very interested in seeing the little donkeys and asked to take some pictures. Through the course of their conversation, my husband asked where they were from. They said, "Kuwait, we are Muslims." so he told them we had a book we'd like to give them and we gave Huda the book in Arabic. Thank you for helping us to be

used by God as He intends for us to share the Good News with them. - Colleen McCann, Calvary Chapel Hemet, CA

### 10. Barnes and Noble

While I was waiting for Michael Johnson from Calvary Chapel Bible Fellowship to come meet me, so I can help him be effective in his ministry to Muslims, I saw a Muslim woman wearing her hijab leaving, I walked quickly behind her, until she noticed me outside. I greeted her and we talked for a few minutes and I gave her *Glad News* book. Then I went back inside Barnes & Nobles and met her daughters who were drinking coffee with their Turkish friend. After talking with them for a few minutes, they asked me to give them one of my *Glad News!* books, I signed it and gave it to them.

Another Muslim lady was sitting in a different table watching and heard my conversation with the Muslim girls, Michael was just arriving and asked her if she would like to get one of the *Glad News!* books as a gift. She smiled and said, "Yes please." Michael took one book from me and gave it to her.

***Barns & Nobles is one of the perfect places for me to give books to Muslims. Because I find them to be students in the university that loves to read.***

11. Samy, I want to thank you for presenting this information to our church today. God's timing is perfect as I have been wrestling with my poor responses to a Muslim man that I came in contact with recently. Your materials are an answer to my prayers to strengthen my testimony and love toward our Muslim acquaintances. - Cliff Burlew, Calvary Chapel Fluvanna

12. Samy, Today, I heard you speak at Calvary Chapel Fluvanna. I haven't been to church in a long time. After I heard you speak, I went home and a Muslim lady from Pakistan contacted me to ask for my advice. Her name is Semen Khan. Thank you Samy for making me take your book without paying. My Muslim acquaintance told me, "I am all alone." I told her about your book and asked her, "Do you like me to read the book to you?" She said yes, then I sent her pages from your book through the computer (my iPhone). She read them and wants me to send her more. Samy, God is moving. You are right, I need to walk by faith. - Kiera Wells, Calvary Chapel Fluvanna

13. One of the ladies who attended the seminar that I gave: "Sharing Jesus effectively with Muslims" at Calvary Chapel Fluvanna told me, "My Father is a Muslim. Thank you for your message and ministry. It will help me help my father." - Hanna Hodde, Calvary Chapel Fluvanna

## 3. Encouraging comments from Pastors and Christian Leaders

1. I received two texts from Pastor Richard: "Thank you Samy for a wonderful, wonderful message. It blessed my heart and I'm sure it encouraged and built up the church", and after the second service he texted me again: "Thank you for ministering faithfully to our second service. Thank you so much for your ministry. I've had more than a few folks express how blessed they were by your message. Love you my friend." - Pastor Richard Cathers, Calvary Chapel Fullerton

2. Awesome, Samy! God is good. Thank you for your faithfulness! - Pastor Tim Brown, Calvary Chapel Freemont

4. Greetings Samy, we continue to pray for you and Hala on Sunday mornings. You reignited my passion for reaching out to Muslims in this community. I have been so busy with our building renovation that between the work to finish it, and studying for my messages, I haven't been able to focus on much else. Thank you for the reminder of working for the eternal fruit!! I love you brother. I want to start praying that the Lord will open up a door to you for your radio programs to be aired locally in Rochester. - Pastor Don Rypstra, Calvary Chapel Rochester, Minnesota

5. Hey Samy, It was such a joy to work with you. Thank you for coming to Virginia to talk to our church about Muslim ministries. In the midst of some recent and significant terrorist attacks coupled with discussions of US travel bans stirred together with a climate of fear and the fact that a nearby city is a Syrian refugee city, the timing for your visit was perfect. As expected and hoped, you brought a message of biblical love and grace that was a good reminder of God's heart for the world and our neighbors. Many people were impacted, some were touched enough to write letters explaining the impact that your message made in their hearts and families. I can wholeheartedly recommend you. We were blessed. - Pastor Steve Feden, Calvary Chapel Fluvanna, Virginia

6. Hi Samy, I want to write a quick note thanking you for teaching at all three of our weekend services. Your message helped the congregation understand the Muslim world-view and their quest for God. We are a missions minded church. You have a wonderful message and it touched us deeply. Your message helped equip us to better reach the lost. - Pastor Jim Richards, Calvary Chapel East Anaheim

7. Hi Samy, It was so great to spend time with you the other day. I am looking forward to staying connected. Your love and passion to bless our Muslim friends is inspiring many to do the same. 8. Samy, thanks for all the work you do to reach Muslims around the world. - Brian Hart, International Student Ministry Associate Director of Communications, Inter Varsity Christian Fellowship, USA

## 4. Because Satan's fiery darts toward us do not stop, and I face many vicious battles, God continues to send me encouragements. For example:

3. Hi Samy, I just finished listening to your testimony. I loved it! Your words were very timely. Your testimony educated me. Thank you again! Your sister in Christ, Peggy Slate

4. Samy, God will use you to witness to Muslims and equip believers with the word of God. - Miwsk, Belarus, NSK Belarus

5. Samy, Wonderful to see you at Calvary Chapel Orlando on Sunday. The Islamic religion is a major focal point today in the geopolitical world and in Christianity. Having a clear foundation and comprehension of its teaching is critical to Christianity and to our evangelical mission. I so appreciate your message of love and compassion demonstrated in your teaching on Sunday. I went to both services at 9:00 a.m. and the 11:00 a.m. Samy, your background and your passion make you a strong candidate to be the person to provide a powerful voice to the Christian community with an intelligent, informed, compassionate, and biblical view of how a Christian should view Islam and Muslims. I look forward to following you as the scope of your ministry within the Christian community increase. I also think God can use you on the political and national stage to be a strong Christian voice on this issue. The Lord may have raised you up for such a time as this. - William N. Barns, Orlando, FL

6. Thank you Samy, for graciously giving of your time to share your ministry with our church body here at Calvary Chapel East Anaheim. Your message of Good News and love for the Muslims is compelling and should be every believer's ministry. The statistics you quoted and the stories that go along with them are eye opening, undeniable, and without a doubt, a wakeup call. This mission field is in our "Jerusalem" the harvest is plenty but the workers are few. We pray that the Lord will continue to provide for your ministry both the resources needed and financial support to achieve His will within the Muslim community. God richly bless you as you continue to serve HIM. - Nacho & Jackie Munoz, Calvary Chapel East Anaheim

7. God gave Samy the right message to share with all of us. God used him to speak to me, to motivate me, to share His Word with people. - Eric Thompson, Calvary Chapel Fluvanna

8. Samy, May God grant you a multitude of Muslim converts. We attend Calvary Chapel East Anaheim. We love you, Craig and Eva Flanders

9. Samy, I would like to say thank you for all your ministries. I am happy to hear all the work God is doing for Muslims through you and your team of partners. - Jonathan Thomas, Calvary Chapel Caldwell

10. Dearest Samy and Hala my brother and sister in Christ, it is so wonderful to see how Almighty God's Spirit is moving in and through you both and your ministry. Not only to Muslims but also to our beloved Christian brother's and sister's as well. I am struck by the powerful impact you are having for the expansion of Christ's kingdom as you strive to fulfill His calling upon your lives. All praise, glory and worship be to our Holy, Awesome, Sovereign God as He continues to bless and bring His plan to fruition through you both for the benefit of Christians and Muslims. May our Lord continue to bless you with good health and His mighty provision as you run the race so as to win it for the expansion of His kingdom, and to His glory and praise! In Christ love, Jim and Tess Mayes

11. Beloved Samy and Hala, How blessed we are to have met you at church and have had the gift of your testimony and the work you and Hala do for the Muslim people. We plan on meeting many Muslims in eternity because of you. Praise God for the work He does in you and how your ears are keen to listen to His whispers. We thank both of you for spreading, not only God's word but also His infinite love. - Tony & Phyllis Hostetter

12. My wife Maggie and I thoroughly enjoyed and were blessed hearing Samy's message. We were educated and we were blessed hearing how Samy is being used to reach Muslims with the gospel around the globe. - Marco and Maggie Cline, Calvary Chapel Orlando

13. Dear Samy, You are a powerful vessel of God Almighty and there are forces of darkness that are trying to debilitate and render you useless in furthering God's kingdom. Be encouraged that the gates of hell cannot prevail against HIM! God's hand is mightily with you. Continue to persevere and you WILL break through the wall of complacency you encounter from many pastors. As a public school teacher, I want to encourage you and your wife to take as many opportunities as God avails to share your message with the young people. The young people in schools are not taught clearly and their notion of the Muslim world is limited to mainstream media, which compels us to fear Muslims and hope the military takes care of them, of that part of the world. You have a compelling voice yourself that can change the tides of American thought about our role in the Great Commission. Please keep strong and run hard until you have finished the race! Your co-laborer in Christ, Linda Fletcher, Calvary Chapel Fluvanna, VA, National Board Certified Teacher, World Languages other than English, Fluvanna County High School

## 5. Eternal Fruits from Speaking Engagements

**God used the speaking engagements to:**

- 1. To change the hearts and minds of thousands of Christians towards Muslims, and to**
- 2. Motivate and equip thousands of Christians to share Jesus Effectively with Muslims**

**I will share with you a few of the comments I received:**

**1.** Samy, God used you to speak the words that I needed to hear. My wife Ofelia and I meet Muslims and we don't know what to do with them. Today, God used you to encourage us and guide us to share Jesus effectively with them. - Pastor Jay, Mercy Gate Church

**2.** "During this week I had prayed that Christ would be present with Muslims. Samy's presentation answered my prayer. Samy, I was encouraged that you are reaching out to Muslims. I learned so much from the message that God gave you to share with us. It is an answer to my prayers that God will send someone like you to share Jesus effectively with Muslims." - Brenda Miller, The Gathering Church, TX

**3.** God gave me the opportunity to speak, motivate, and minister among Indonesian believers. I equipped them to share Jesus effectively with Muslims. Afterwards, the Pastor sent me a praise report: "We want to let you know how thankful we are for you. The work you are doing for the Lord is changing lives and making a difference. Thank you for your faithfulness to His call upon your life." - Pastor Jimmy Saiya, Mission for Christ, Indonesian Church

**4.** Thank you, Samy for sharing a passionate message to encourage my family to love the lost. You have equipped us to witness cross-culturally and share God's love with all people. God Bless you and your ministry. In Christ, Linda and Kenny Buskirk, Calvary Chapel Orlando

**5.** Dear Samy, It was truly a pleasure to listen to your message at Mission Calvary. We are both reading *Glad News* and looking forward to share the Good News, with any and all! - Doug & Jodee Brentlingee, Mission Calvary

**6.** Samy helped me understand what Muslims think & believe and the way to talk with them about Jesus. Samy's talk was very helpful to me. I have trouble loving people who I think want to harm me. Samy's talk opened my eyes and my mind to understand Muslims and his talk softened my heart to love them. - Gary Berzel, Calvary Chapel Orlando

**7.** Samy, I want to thank you for answering the Lord's call to live the life He has chosen for you. I see that in America churches people still think they should pursue The American Dream instead of pursuing God's will for their lives. First, I have been afraid that Muslims just want to hurt us; due to

what we hear and see in our world. I had no idea that the Lord wants to bring them to Himself, through us. Second, I loved your message that God is Love and the gospel clearly demonstrates God's awesome love. I will no longer fear Muslims but look forward to bridge the gap that exists between them and me. Then I will give them the gospel of Jesus Christ. I will try to connect with Muslims and bring Jesus to them. - Larita Padron, Calvary Chapel Orlando

**8.** Samy, I am convicted by your message. - Bill Forbs, Calvary Chapel East Anaheim

**9.** Samy, You opened my eyes today and I realized that I had fear in my heart. Satan put fear in my heart- a fear that stops me from talking to Muslims. The message that you shared today helped me to change my views and thoughts. I changed 180 degrees. After Rick left my table a few minutes later, he came back to me. He came very close to me and said, the message God gave you, which you shared with us today made me no longer see Muslims as my adversary, but I now see them as my mission field. - Rick Carver, Calvary Chapel E. Anaheim

**10.** The Lord Bless you Samy! I found the information you shared fascinating. I had no idea of the importance to increase the spreading of God's word and the impact it will have on the Muslim world. - Lisa Sandlin, Calvary Chapel Eastside

**11.** Samy, God bless your amazing ministry truly amazing. You are a blessing and a joy to listen to. The Muslim refugees issue is a troubling one. I hardened my heart towards them and prayed that they would not be permitted into America. I am still weary about the ones that are terrorists, but I hope there will be massive salvation among those Muslims coming legally to America and praying that they will believe in Jesus. I was cut to the heart and ashamed of myself for not seeing what God's plan for these people was. I am so thankful you came and spoke at Calvary Marysville Church because The Lord used your beautiful words and testimony to cut me to the heart and expose my sinful areas. The Holy Spirit is so good. I feel lighter and free now to look at this situation differently and with Jesus' perspective. - Stefani Eide, Calvary Chapel Marysville, WA

**12.** Today's message convicted me. You encouraged me to pray. The Lord told me to pray for Ishmael's descendants, because He is not done with them yet. He loves them like He loves me. - Olivia Hurtado, Calvary Chapel Fullerton

**13.** Thank you for challenging the politics of Muslim hate, we are taught to be against Muslims and consider them our enemies. Thank you for reminding us that Satan is the enemy and not the Muslim people. Satan divides, he is trying to separate us from Muslims. Your reminder and challenge is very much needed today. Your love for Muslims is beautiful. - Greg Bird, Calvary Chapel Fullerton

**14.** Thank you for opening my eyes and my heart. - Suzan Hollingsworth, Calvary Chapel Tehachapi

**15.** I viewed Muslims as potential terrorists. Your presentation changed my perspective. Now I am open to being used by God to talk to them about Jesus. - Valerie Trujillo, Pastor's wife, Catheys Valley Baptist Church

**16.** Dear Samy, We were encouraged by your teaching at Calvary Chapel Bible College in The Holy Land. During the class you took us out to speak to Muslims in the streets and shops. It was a good experience. Muslims need Jesus. You educated and equipped us to witness to Muslims. We were all encouraged. - Pastor Jordan Faker, Youth Pastor, Calvary Fellowship Gig Harbor

**17.** I want to thank you Samy for the information you gave us. I always feel nervous when I see Muslims. Your presentation helped me a lot. I didn't even know what to say when I meet a Muslim, but now I do. - Andy Friberg, Calvary Chapel Harbor

**18.** Samy, The Lord's goodness is upon you! It's evident in the passion you have that it can only come from Him. Your showing up at Calvary Poulsbo yesterday was truly a blessing in my life. It was an awakening that my spirit needed. Thank you Samy! - Jennifer Causgos, Calvary Chapel Poulsbo

**19. God used you and me for the salvation of many non Christian Americans, for example:**

After I finished speaking at Calvary Chapel Poulsbo, John and Britney, came up to me and expressed their gratitude to God for bringing them to church to hear me share. John said to me, "Samy, The message God gave me through you tonight changed my life." Then He gave me a big hug. After I finished speaking at Calvary Chapel Poulsbo, during prayer, I asked my audience to lift their hands and pray after me specific prayers, praise God some people received Christ as their Lord and Savior, others committed their lives to Christ and to Love God from all their hearts, souls and mind. God used the message He gave me to do far more than I expected.

**20.** After speaking at Calvary Chapel La Mirada a few people received Christ as their Lord and Savior.

**21.** Thank You Samy, I was so blessed!!! You reminded me that all of our rewards in heaven are a direct result of our giving of ourselves, our time, our resources, and our talents here on earth. You said, "Do not be deceived!" It woke me from all my own selfishness. You were so inspiring! You spurred me to want to be in the Lord's presence more and wait on Him. I want to be used, to be filled, and to be excited in service, like you are! - Laurie Watson, Calvary Chapel Marysville

**22.** Samy, Such a powerful message, it made me realize how I need to allow God to use me the way (how) He wants to use me. Your experience and message made me realize that I must have complete and total faith in The Lord. Thank you so much for your message. - Allison Pace, Calvary Chapel Fluvanna

**23.** Samy, My eldest son is 18. He was with me in the Sunday morning service and he heard you speak. At lunch, he shared with his younger siblings what we learned from your message about Muslims. My younger son is 11 (he adores his big brother). After listening to my eldest recap your message, my little guy stated how surprised he was. He always thought Muslims were awful people, terrorists, etc. Now he knows that God really loves them and that many of them want to know who God is. What a joy it is for me to hear my children discuss God's word and plan and get stirred up to seek Him! Thank you for opening our eyes and helping us to see. - Tabetha Dillon, Calvary Chapel Fluvanna

**24.** Samy, Satan lied to us, we are taught from the news to fear and not to trust Muslims. Your message proved that fear is not of God. The message God gave you generated faith and excitement and you gave us a desire to get outside of our comfort zone to meet Muslims and tell them about Jesus. - Linda Fletcher, Calvary Chapel Fluvanna

**25.** Samy, I love how you go to a mosque and overcome the cultural and theological barriers with Muslims. I am encouraged and inspired by your testimony and message. I want to use your materials and testimony to help Muslims and non-Christian Americans to believe in Jesus. I had many questions about Muslims and Islam, which my friends and I had not been able to answer until I heard the message God gave to you. Samy, now I am prepared and equipped because of the help I received from Glad News For Muslims Ministry. Also, now God can use me to help other believers share Jesus effectively with Muslims. - George Myers, Calvary San Juan, WA

**26.** Samy, I was always told to stay away from Muslims up until I heard you speak today. I had negative feelings and thoughts toward all Muslims. I always think of Muslims as my enemies. Today, I recommitted my life to God and decided to give God 100% of my life. What struck me the most was when you said that a huge number of Muslims are confused. They need us to help them understand God's love and who Jesus is. I feel that I need to have a better understanding of Muslims and how I can help answer their questions. I am so glad I came to our church today, otherwise I would not have heard your message. - Isaac Eide, Calvary Chapel Marysville

**27.** Samy, thank you for opening my eyes to what God wants me to do. God wants me to share the Gospel with Muslims. - Fernando Moro, Usher, Calvary Chapel East Anaheim

**28.** Your message and materials will help me to be an effective witness to Muslims. I am a teacher of the children of Muslim refugees at Greer Elementary School, an international rescue organization. - Mary Anne

**29.** The message God gave you, which you shared with us, this Sunday morning and the books God guided you to write helped me to talk to Muslims in gas stations. - Elaine Kotter, Calvary Chapel Mission Hills, San Marcos

**By this my Father is glorified, that you bear much fruit and so prove to be my disciples - John 15:8**

**30.** Pastor Samy, Thank you for your presentation of the gospel today. It was very inspiring! The Spirit of God used you to open my eyes to the Muslim beliefs and culture. You reminded us that God loves ALL people. I am excited to see the plan of God unfold through His people. You are a light to those in darkness. Thank you for sharing your knowledge

so we can be better equipped to do the work of the Lord, reminding us NOT to fear but “wake up” and “take action!” I’m looking forward to reading your book *Glad News!* so I will be ready to share the Gospel with a Muslim when the time is presented. With highest regards, Joyce W. Pace, Calvary Chapel Fluvanna

## 6. We are reaching many of the unreached people groups, for example:

**1.** We are involved in overseeing and financially supporting missionaries in the Middle East.

**2.** Dear Samy, the message God gave you that you shared at Calvary Chapel Fullerton motivated me to share Jesus with Muslims. God will use your book, *Glad News! God Loves You My Muslim Friend* to equip me to share Jesus effectively with Muslims. We should use and invest our time and resources to help more Muslims believe and follow Jesus Christ, so they can spend eternity with God. Thank you for your testimony and your mission to reach out to Muslims who are seeking the truth. After I heard you speak at my church, now I am praying that God will use me and my family, and your book in Singapore, Philippines and other Muslim countries in Asia. In Christ, Pearl Rosengreen, Calvary Chapel Fullerton

**3.** “I believe Samy Tanagho’s book, *Glad News! God Loves You My Muslim Friend* is needed in Africa, especially that we desire to evangelize the Muslim community. This book will play an important role as we use it to answer specific questions and expand the Kingdom of God in this end time. I wish to play a role in the translation of this book in the Luganda language, which is the language widely spoken in Uganda. Samy, I need your effective tool, your book.” - Rosemary Wironner, Uganda, Africa **Note:** I gave her my support and permission to translate and to print it

**4. I take advantage of every opportunity God gives us to send our effective evangelistic materials overseas. For example:**

- I gave many books in Arabic to Lisa, Pastor Brian Parish’s wife from Calvary Chapel La Mirada. She and her group gave them to Arab Muslims in the Holy Land.
- We sent our evangelistic material to Iraq. For example: Through our friend Ed Benita. I consider Ed one of my favorite hero’s and missionary.

• At Calvary North Long Beach, the pastor’s wife informed me that they took many boxes of *Glad News!* books in Arabic and gave them to Palestinian Muslims in the Holy Land.

• I received an email that read: “Samy, thank you so much for your ministry! Praise God, I am a Finn living with my Austrian husband in Austria. We heard you here at Schloss Heroldeck (Calvary Chapel) some twenty years ago. Would it be possible to get a PDF of the book *Glad News! God Loves You My Muslim Friend* in Bosnian? ...A young Bosnian Muslim is very hungry to know Jesus...

**Note:** I sent it to her

### **5. God is using you and me with Turkish Muslims.**

Samy, I am a counselor in a medium security prison. We have the following groups who worship weekly at Buckingham Correctional Center located in Dillwyn, Virginia. Judaism, Seventh Day Adventists, Native Americans, Protestants, Catholic, Nation of Islam and Sunni Muslims all worship here. I believe that these men could benefit greatly from reading your book. I was also one of the people who took a free book. I shared your video with all Muslims that I am acquainted with throughout the USA and in Turkey. I also shared it with a Turkish American group based in our Nation’s Capital. I am expecting a wave of harvest in Turkey in the future because I know that coming to hear you speak at Calvary Chapel in Fluvanna, VA was a divine appointment. - April Mullins Mela (*April is passionate about sharing Jesus with Turkish Muslims*) **Note:** April heard me on the radio in Virginia in an interview announcing that I would be speaking that Sunday morning at all services and at the evening service at Calvary Chapel Fluvanna. She drove many hours to hear me and to be equipped to share Jesus effectively with Muslims in America and with Turkish Muslims.

### **6. We sent our evangelistic materials to prisons. For example:**

I received an email from Brian Cronin that read: “I have a friend who is currently serving in the Florida prison system. He claims that there are very little Christian witnesses, but there are plenty of Muslims. The former chapel is now a full time mosque. Do you have resources to help him effectively share Christ with Muslims?”

**Note:** I sent him and his friend in prison plenty of materials

## 7. God has been using you and I to motivate and equip a huge number of Christians, to share Jesus effectively with Muslims.

### For example:

**1.** In the past three years, I motivated and equipped so many Salvation Army believers in America and overseas to share Jesus effectively with Muslims. I would like to share with you one of the emails sent from the Salvation Army headquarters to the Salvation Army officers: "Dear Friends, It is wonderful that we have the opportunity for Samy Tanagho to come and speak to us on ways to reach out to Muslims. He could give the message at your corps on a Sunday morning, or could teach a midweek bible study." - Kyle Smith, Lt. Colonel, Divisional Commander, Salvation Army Southern CA Divisional

**2.** I spoke at Calvary Chapel North West Pastors Leaders Conference. So many pastors, leaders and missionaries came to the workshop I taught. God used us (you and me) to equip them to share Jesus effectively with Muslims. God gave me many divine appointments during the conference, and we were able to send our materials overseas through some of the missionaries and leaders. The leader of the conference, Pastor Wayne Taylor, announced to everyone from the pulpit that he and I took a group of believers and went to the mosque, took fruits to the Muslims leaders and Imam.

We were able to manifest God's love and grace to them. I gave books to Muslims in the mosque. Pastor Wayne Taylor recommended the Workshop I will be teaching at the conference on "Sharing Jesus Effectively with Muslims." The large room where I spoke was full of pastors, leaders, and missionaries. Many were standing.

**3.** God gave me the opportunity to teach two workshops at the Calvary Chapel Costa Mesa Pastors & Leaders Conference. During the few days I spent at the conference, God used me to equip many pastors and missionaries.

**4.** I shared at an International Conference to reach

international students with the Gospel. God gave me the opportunity to equip so many, my audience was: Educators and administrators from colleges and universities from all over the United States and Canada, People leading and serving in international student ministry organizations, church pastors, leaders and volunteers.

**5.** I spoke at Catheys Valley Baptist Church, CA and they took many books from me and promised to give them to other Baptist pastors to equip them to share Jesus effectively with Muslims.

**6.** I equipped many believers in Canada through an interview with The Miracle Channel Satellite TV.

**7. God has been using our Glad News for Muslims Ministry to enable countless number of Christians and ministries, to share Jesus Effectively with Muslims, for example:**

I received an email from Michael Johanson that reads: "Hi Samy, I attend Calvary Chapel Bible Fellowship in Temecula. Pastor David Hinchey suggested I get in touch with you. God has provided me with many relationships with members of the local Muslim community. Would it be possible to meet with you to discuss direction and insight on how to reach these people?"

**8.** I shared at the Assembly of God Pastors & Leaders Conference in Hawaii, and many were motivated and equipped with our materials to share Jesus effectively with Muslims.

### I traveled to Nashville, TN and attended the International Religious Broadcasters Conference.

I met a lady and we talked for half an hour. The next day, I saw her and she said “Samy, something came up and I have to leave the Conference, I have two tickets for the special dinner to hear a special speaker. I’d like to give you the tickets.” I went to the dinner and I saw in the large meeting room hundreds of tables and I chose one. As soon as I sat down, a young man greeted me so warmly, with excitement saying, “Samy you spoke at my church so many years ago, I remember that I was blessed by the message you shared and I love your *Glad News!* book.”

I smiled and said, yes, I wrote my book before 9/11

terrorist attack, but it was not that good, I had to revise it 5 times. I am glad God uses us despite our imperfections.

He said: “Samy I work for **Moody International Ministry**. Can I introduce you to one of the directors of publishing and some of my friends at Moody”? I replied, sure. He introduced me. **God put it on their hearts to publish our book, to use it to expand God’s Kingdom. It was indeed a Divine Appointment.**

**Moody International published, promoted and distributed our book. From Moody’s website:**

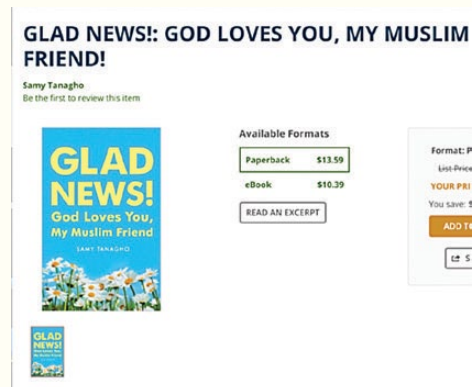

### **GLAD NEWS! The ideal book for leading Muslims to Christ**

With over 100,000 copies in print, and translated into eleven languages, Glad News! has helped bring hundreds (if not thousands) of Muslims to Christ.

Answering Muslims’ biggest questions about Christianity, Glad News! shares Jesus and His teachings with Muslims in the clearest and most attractive, convincing ways, all without compromise. It also equips Christians to understand the common sticking points that Muslims have about Christianity so they can share Jesus more effectively.

Muslim readers of *Glad News!* will:

- Encounter the beauty and legitimacy of the Christian faith
- Receive answers to their most burning questions
- Grapple with evidence that proves Jesus is more than a prophet
- Know all that they need to for believing in Jesus as their Lord and Savior. The gap between Muslims and Christians is wide, as are the many cultural gaps that may exist between them. *Glad News!* will bridge those gaps, giving Christians insight into Muslim convictions and language for dialoguing about matters of faith and belief.

## 9. Radio: God used you and me to impact the lives of so many people, for example:

3. I saw Pastor David Daniel, Senior Pastor of Calvary Chapel Orange. He told me that he learned so much from our KWVE radio program about sharing Jesus effectively with Muslims. 4. I heard your radio program on 91.3 FM, I didn't know how to approach Muslims, and you helped me to know how to talk to Muslims. We planted a church in the Philippines. Now God can use us, to teach them. - Anita Frame, Calvary Chapel High Desert

I felt in my heart that you are the answer to my prayer to help my Muslim friend know Jesus and God's love in The Bible. Thank you for the materials you gave me to give to my Muslim friend. Thank you for your faithfulness in serving the Lord. Your radio program is very helpful. I feel that I need to be equipped and ready for God to use me to help Muslims know Jesus. - Shelley Lin, Harvest Christian Fellowship (Pastor Greg Laurie)  
**Note:** *God used you and me to help one of her Muslim friend believe and follow Christ.*

10. I listen to your radio program online through The Bridge FM (The Bridge Radio is a Ministry of Calvary Chapel Old Bridge, New Jersey). I appreciate your heart and zeal for those who are lost. We see so many [Muslims] who want to please God, but do not know how. I also have found success in discussing Jesus Christ with Muslims using some common ground. I am motivated to share more and keep the dialogue open when I hear you teach. I know that you are more concerned about winning the person, than winning the argument. Please send me a copy of your book. Thank you so much, Brian Cronin, FL

11. Good morning Samy, thank you for your wonderful ministry, it is a blessing to hear you on the radio. - Archie Rockwell

## Our Prayer is to Accomplish Goals Such As:

1. Expand our radio ministry
2. Share Jesus effectively with as many Muslims as possible
3. Motivate and equip as many Christians as possible to share Jesus effectively with Muslims
4. Use mass media such as internet and satellite TV to impact the lives of multitudes of people

**And He Himself gave some to be...teachers  
for the equipping of the saints for the work  
of the ministry, for the edifying of the body  
of Christ. - Eph. 4:11-12**

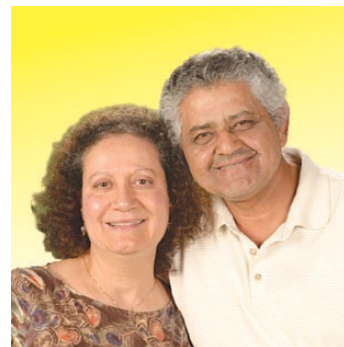

## Special Prayer Request:

We pray that God would put it on the heart of a believer to donate a building or house to be used as the center of our ministry operations.

## Our ministry is producing abundant eternal fruits and helping many Muslims enjoy God's love and salvation because:

1. God is with us, He guides us, and He fills me with His presence, and uses the messages and words He guides me to share.
2. God guides believers like you to pray for and financially support the ministry He called me to do.

God has given me the calling, passion, education, experience, opportunities, and the most effective evangelistic tools to reach Muslims for Christ. However, God will use you to enable me to give what He gave me to multitudes of people. If God enables you to help us financially, please contact us or send your tax-deductible donation to P.O. Box 28961, Santa Ana, CA 92799. **God will reward you eternally.**
