

Jesus said, "I have other sheep too. They are not in this flock here. I must lead them also. They will listen to my voice. In the future there will be one flock and one shepherd." John 10:16

**My Calling is to:**

**GLAD NEWS**

1. Share Jesus effectively with as many Muslims as possible **For Muslims Ministry**
2. Motivate and Equip as many Christians as possible to do the same

Praise Report By Samy Tanagho

## **PART 1 God used us to sow seeds that lead to salvation**

1. Hi Samy, my Egyptian brother! Your "Glad News! God Loves You My Muslim Friend" book is a God send to us. ***It is used by God to change lives, converting hearts and saving souls.*** I just wanted to let you know that I have shared two of your books with Muslim friends. After they read your book they were very appreciative and through tears of joy they shared testimonies of their struggles with the Muslim faith. Our friendships are strengthened through your book. I thank God for your ministry.

***Love and appreciation from Gary Kirkpatrick.***

2. Greetings, brother Samy. I am Pastor Samy Wanyonyi from Kenya I want to thank you so much for your commitment to your ministry that has **touched the hearts of so many in Kenya**, reaching the lost souls for Christ in our country and other parts of the world. I am really touched and encouraged by your work.

3. Dearest brother Samy, we used your book to answer questions Muslims have, **including questions from Imams** {Muslim leaders}. Your book gave us good success in Guinea-Bissau, West Africa. We also used your book in French in Senegal and Mali. Thank you for your big effort that you gave to extend the Kingdom.

***God bless you, Benjamin Didier, Missionary***

4. One of the **Jordanian Pastors** we gave our evangelistic materials to told me, "God has been using your book and ministry not only to help so many Muslims become followers of Christ but also to disciple them and give them a strong Christian foundation."

5. Samy, I directed all the Muslim people that are willing to have a conversation with me to your ministry's website. I believe that they have been blessed by going to your website. Keep up the good work! Your ministry is essential in fulfilling the great commission and **I know that our Muslim friends are blessed by your ministry.**

***Your Lebanese brother, Mark Saliba***

6. I was at Calvary Chapel Costa Mesa and Pastor Brian Brodersen, the senior pastor, approached me with a big smile and said, "Samy, a good ministry in Uganda contacted my son Pastor Char and told him that they have been using your book "Glad News! God loves you my Muslim Friend" and your book **impacted so many lives in Uganda**. Samy, God has been using your life much more than you think!"

7. Samy, I gave your book to Zoher a **Muslim man**. He is enjoying it and he will make us a special pizza and bring it to us tonight.

Brenda Peterson Harbor Calvary Chapel, WA

## 8. God has been using us to change the lives of Muslim leaders

"I am serving in the village of Kouttan in Guinea. "Glad News! God loves you my Muslim friend" book was given to the Imam, the leader of the Mosque, who started reading it, then immediately began to read it to his followers in the Mosque with a smile. **He told the Muslims in mosque it was the truth!**"

Ivan Crissman, Southern Baptist missionary, Mt. Vernon Baptist Church, NC

### 9. Jesus said, "There is joy in the presence of the angels of God over one sinner who repents." (Luke 15:10 NKJ)

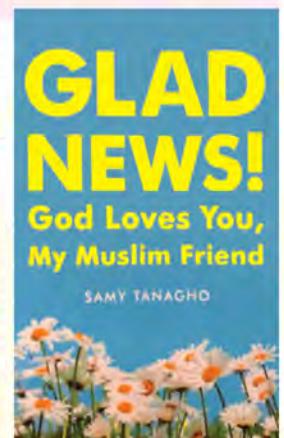

I had a few conversations with Sam about the meaning of life, and the **Holy Spirit** guided Sam to pray with me. Sam repented of his sins and put his faith in Christ as his Lord and Savior.

10. We equipped Christians in Africa to share Jesus effectively with the largest Unreached (no churches in their midst) People Group in the world who are Muslims.

A very many "Glad News!" books were sent to Africa.

I saw Wes Bentley who is the founder and president of Far Reaching Ministry (*he is doing ministry in many parts of Africa*) and he told me your books have been shared by so many people and soldiers in Sudan. After one of them read your book, he gave it to another person, and that person after he read it gave it to another person. **Your books ended up separated into many pieces from being read and shared by so many people.** Wes reminded me of what...

Jesus said, "...the harvest truly is plentiful, but the laborers are few." (Matthew 9:37 NKJ)

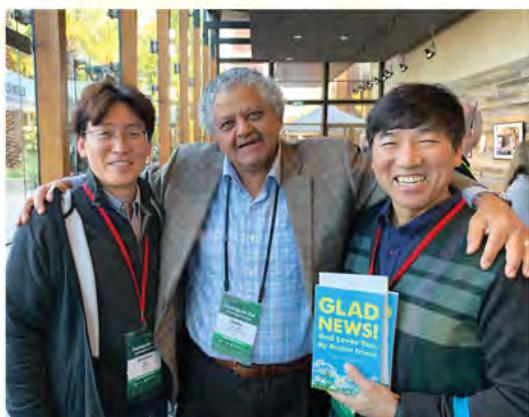

11. Samy, Praise the Lord! I am so happy. For the last six years I have been going through your Glad News book. I have been learning so much. I received many copies which I have been handing out to Muslims in **Kenya**. I want to reach Muslims in Kenya and in Uganda.

Benedictor from Calvary Chapel, Nairobi

12. Your Glad News! God Loves You My Muslim Friend book is very helpful to me. It helped me in my **Radio programs** in Kenya to answer the questions Muslims have about God and the Christian faith. Also, your book is enabling me to train Christians to share Jesus effectively with Muslims.

Pastor Benedictor Amai, Kenya

13. God gave me the opportunity to spend three days with missionaries and Pastors who are serving in **different parts of the world** and others who desire to serve among the most Unreached People Group in the world — the Muslims. I was able to equip so many of them to share Jesus effectively with Muslims.

14. Our Glad News books in Arabic, English and French are being used in Western Sahara, Mali, Senegal and Mauritania (West Africa). God has been using the books to **evangelize** Muslims and to **equip** Christians to answer Muslims' most important questions about our Christian Faith, especially about Jesus.

## PART 2

## God used you and me to produce Eternal Fruit from our Radio Ministry

1. My daughter is a Muslim, her name is Jacqueline. I want to thank you for your radio programs. **You are enabling me** to help my daughter receive the truth.

Pauline Blackwell, Church of Christ LA

2. Dear Pastor Samy, I want to thank you and all who have been involved by the Holy Spirit to have Glad News for Muslims Ministry broadcast over the air. Jesus has **touched my heart and spirit** through your radio programs. I gave your book to a Muslim man God brought into our lives through my son.

*Holly Williamson*

3. My husband is a Muslim from Algeria. I need the materials that your ministry offers through the radio. Thank you Samy.  
(Note: I talked with Maria and we prayed.)

4. Samy, Thank you for your weekly broadcast which is so important to reach our fellow Muslims. We have a **large area of Muslims** in Peterson, New Jersey. Our church body needs to be equipped by your teaching to share and minister to the Muslims who live here.

I have been able to share with Muslims **because of your teaching on the radio**. Many times I go to Middle East restaurants and share with Muslims; they are usually surprised when I share with them the information I receive from your radio programs and then they usually take salvation materials.

*Deborah, Shalom Church, NJ*

(Note: I sent Deborah many Glad News books.)

5. Dear Pastor Tanagho, I heard your message on the radio last Sunday all about who Jesus is. **The Holy Spirit** gave your words His power. My heart was very blessed. Rejoice, our Lord is blessed by your fruit, and by your faithfulness.

*Your sister in Christ Jesus, Joanne, CA*

6. **Samy, I was thrilled to hear your radio programs** several times. Your teaching focuses on the Gospel. I praise God for your ministry because you are helping Muslims to know Jesus.

*Mark Turner, Corpus Christi, TX*

7. Dear Pastor Samy, I heard your teaching about the Trinity on the radio. I learned so much. I enjoyed your teaching. I knew your teaching **was inspired by the Holy Spirit** and God's Word.

*Ms. Pysden, Anza, CA*

#### 8. **Rejoice! God has been using our ministry (you and me) to produce future Christian leaders.**

Do you remember Anthony Albizo? He emailed me, "Samy, my Muslim friends attacked my faith in Jesus, and attempted to prove that Christianity is wrong. Your Radio Programs gave me a stronger Christian foundation and also equipped me to share the Gospel effectively with my Muslim friends."

I want you to know the **the wonderful news** which is that Anthony got a job serving as the High School Pastor at Calvary Chapel Bible Fellowship Church, Temecula, CA.

**God has been using our Radio Programs more than we could imagine or expect!**

Our Radio Programs are translated to Spanish and broadcast in parts of **South America**.

Our Radio Programs are being **translated into the Odiya Language** and an Indian Pastor is using them to teach Christians.

## PART 3

### Divine Appointment

*I am so glad and excited that in spite of this Covid 19 Pandemic God still provides for me many divine appointments when I leave my home. I am surrounded by (live with), hundreds of thousands of Muslims in Orange County, CA. This is still one of my most enjoyable activities in the ministry to Muslims.*

My wife Hala asked me to go to the mall as she wanted to exercise & walk around. So I took her, took my book with me and we began walking. I prayed for divine appointments. Very soon I saw a group of Muslims wearing the hijab sitting at a table. Of course I walked slowly closer to them and smiled at some of them. When they smiled back at me I greeted them and started talking and they were very open to talk with me. I knew then that this was orchestrated by God. God enabled me to have a sense of humor and make some of them laugh.

Thank God, I was able to give them our "Glad News! God Loves You My Muslim Friend" books and we took pictures. That means they really liked me. God gave me favor in their eyes. Otherwise they would never have welcomed taking pictures with me with "Glad News!" book in their hands.

Then, Hala called me and said, "It is enough, I would like to go home." I politely told them "This is my wife, I have to go home now. I don't want any trouble, because you know the Egyptian woman is powerful and her voice is the most powerful voice in the world." We laughed again and I left, rejoicing that God had answered my prayers again.

## PART 4

### God has been using you and me to impact lives overseas.

Here are some examples:

1. God is using us to **Equip Christians in Nepal**. I was contacted by Pastor Christian Krish from Nepal who asked me if he could take our radio programs, and translate them and teach from them. Of course I rejoiced and told him "Of course you can!"
2. God guided me to **partner with Pastor Sanjay Nag**. I gave him access to our materials and radio programs to equip groups of **theological students and pastors** serving in various parts of **India** on how to minister effectively with Muslims.
3. I gave many of our Glad News books to Phil Seminara, who emailed me later to say:

**"I have given your wonderful book to these men:**

**Bashar** - from Iraq

**Omar** - from Iraq

**Fawaz** - took the book

    moved back to Kuwait

**Khaled** - moved back to Kuwait

**Mohammad** - moved back to Saudi Arabia

**Musab** - moved back to Saudi Arabia

**Pallet** - from Pakistan

**Let's pray for these men and their families' salvation."**

## PART 5

### Examples of Eternal Fruit from Speaking

1. I spoke in a **strategic mission meeting** that has Christians from different churches who focus on missions and fulfilling the Great Commission.

Their leaders asked me to speak about Reaching the Unreached & Unengaged people groups in the world.

By God's grace, I was able to motivate them and equip them to share Jesus effectively with Muslims. Because Muslims are the largest Unreached and Unengaged People Group in the world. (A huge number of Muslims live in places that have no churches among them.)

***Southern California Perspectives Meeting***

2. Samy, I have met and worked with Muslims and **struggled** with how to witness to them. Your messages are helping me to understand how.

***Benjamin Hoefs, Harbor Calvary Chapel, WA***

3. Thank you, Samy! It is a pleasure to have you and I cherish the time we had. I was blessed by you and felt the **Holy Spirit** moving; I know He will bless your ministry.

***Assistant Pastor B J, Harbor Calvary Chapel, WA***

**Note:** I was very encouraged by God, when wonderful Pastor Sean Hollen, the senior Pastor of Harbor Calvary Chapel, said to the Church after I spoke, "I love Samy."

I spoke at this Church many times; I can say that this is one of the top Wonderful Churches I visited.

**4.** Thank you, Samy! It was good to see and hear your message again. I stand convicted for spending life on unimportant things. Thank you for the reminder and for your ministry and your example of being on fire for the Lord.

*With love in Christ,  
Lisa and the Craig Lund, Harbor Calvary Chapel, WA*

*NOTE: I was surprised by their comment because this wonderful couple was already serving God.*

## PART 6

**Together as one team, God is using you and me to share Jesus effectively with Muslims in Africa who are living in places where there is no church among them. (The largest Unreached & Unengaged People Group in the world.)**

"For, 'Everyone who calls on the name of the Lord will be saved.' How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written: 'How beautiful are the feet of those who bring good news!'" (Romans 10: 13-14)

*God is using you and me  
to broadcast our English Radio  
Programs to many places in Africa.*

I received the following letter from the President of Strategic Communications Group's Voice of Hope Radio.

Dear Samy Tanagho Ministry Partner,

Heather and I are so thankful for your broadcast over Strategic Communications Group's **VOICE OF HOPE** Radio. Your **on-air ministry is annotated by God and vital in supporting the Church, Evangelizing those who don't yet know Jesus, and providing Hope to our listeners.**

*John and Heather Tayloe, Founders and President*

Then I received the following email from their assistant, Ray Robinson:

**We know we have strong signals** that cover Central and Southern Africa (Kenya to Cape Town) and all of West Africa too. As such, we reach all of the English-speaking countries in Africa. English is an important language in each of the following 20 countries. In the ones shown in **bold**, it is an official language, and in the others it is frequently used as the common language for communication between tribes:

- Botswana
- Lesotho
- Sierra Leone
- Burundi
- Liberia
- South Africa
- Cameroon
- Malawi
- Tanzania

**VOICE OF HOPE**  
WORLD RADIO NETWORK  
STRATEGIC COMMUNICATIONS GROUP

CEAN  
Antenna Beams  
from Lusaka

1. Super Log Periodic to West Africa
2. Omni-Directional to Central, East and Southern Africa

- Eswatini (Swaziland)
- Gambia
- Ghana
- Kenya
- Mauritius
- Namibia
- Nigeria
- Rwanda
- Uganda
- Zambia
- Zimbabwe

Attached (previous page) is a graphical coverage map. Our transmitting site is just outside Lusaka, Zambia.

Outside of urban population centers, FM coverage and even TV reception is extremely sparse, so the primary tool for reaching rural populations is still shortwave radio. Almost everyone has a cheap shortwave radio, which is available for less than \$20 in many local markets. So, we just keep sending out the Word with love, and praying that the Holy Spirit will cause it to reach those who need to hear. One day we'll meet the people on the other side of the radio (the listeners) face to face, and we will rejoice with them in Heaven.

*Blessings, Ray*

## PART 7

### Reaching the Middle East

*The Christian leaders in America receive trillions of dollars in donations. God has also given them the technology and manpower, however 99.7% of their ministry activities and resources are directed towards where the church is already present.*

*Only 0.3% resources (money) are allocated where the church does not exist, to people who live in areas where there is no church among them. Those people are called Unreached and Unengaged people groups. Muslims are the largest unreached people group in the world.*

*The Apostle Paul said, "I have always tried to preach where people have never heard." Romans 15:20*

**I am very, very grateful to you, my financial partners. You made it possible for me to quit my job at the government seven years ago. Because of you, I am now able to broadcast my Arabic and English videos to the whole Middle East, Turkey, America and Canada, and small parts of Iran and small parts of Ethiopia, through satellite TV - ABNSAT.**

**God brought you and me together and made us one family and one team to use us to share Jesus effectively with Muslims who are known to be the largest Unreached, Unengaged People Group in the world. They live in villages, areas and countries without any Gospel-growing Church among them.**

**I am so excited that God chose you and me to help so many Muslims and non-Christians to become followers of Christ.**

***Alleluia!! All Thanks and Praises be to God!***

Prepare Your Fellowship...

# Invite Samy To Speak

After the Members of your Church are equipped, God will Provide Opportunities for them to Share Jesus with Muslims. God will use them more than we can imagine.

Our ministry is producing abundant eternal fruit and helping so many Muslims enjoy God's love and salvation because:

1. God is with us, He guides us, and fills us with His presence. God uses the words He guides me to share and the actions He guides me to take.
2. Equally important — God guides believers like you to pray for and financially support the ministry He called me to do.

*God has given me the calling... passion... education... experience... opportunities, and the most effective evangelistic tools to present Jesus in the most understandable, convincing, attractive, and acceptable way to Muslims without compromise.*

However, God will use **you** to enable me to give what He gave me to multitudes of Christians and Muslims.

God will reward us richly and eternally.

We are laying up treasures in heaven!

### *Special Need:*

**PLEASE pray with us that God would put it on the heart of someone to donate a building or house to be used as our ministry headquarters.**

**And we have come this far . . . because of you!  
God is using you to change lives.**

*Thank you!*

A very important part of Samy's calling is to "equip the saints for the work of the ministry." (Ephesians 4:12)

A Message from

# Glad News

## to my Muslim friends

As-Salaam-Alaikum my Muslim friend,

God manifested His love for you. We read in the Bible that Hagar and Ismael were dying from thirst in the desert. God did not let them die, God intervened. God told Hagar: "Do not be afraid, I have heard Ishmael crying; lift Ishmael up and hold him with your hand, for I will make him a great nation."

Then God opened Hagar's eyes and she saw a well of water and God saved their lives. You can read this beautiful story in Genesis 21. Because God saved their lives, He proved that He has good plans and special love for Ishmael and his descendants. You can discover God's wonderful plans for your life and His passionate love for you when you read the Gospel.
