PART 1 Penetrating Mosques in America

- I enjoyed visiting many mosques in America and sharing Jesus with their leaders.

Dr. Nasser Karimian, one of the main Mosque leaders

We are on a mission from God to be part of helping multitudes of Muslims become followers of Christ.

The largest Mosque in Indianapolis, IN

All Glory to God, who is able through His mighty power at work within us, to accomplish infinitely more than we might ask or think. Ephesians 3:20

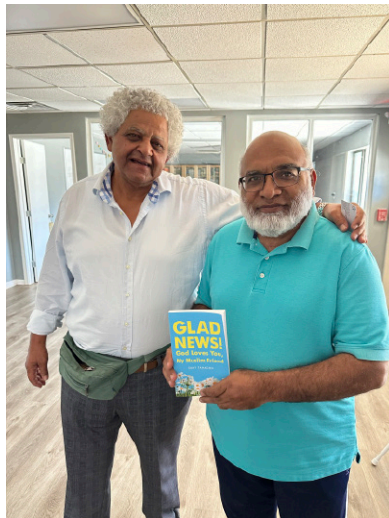

During the meeting the Muslim leaders and their disciples were hoping that they would convince us to become Muslims, but I and Pastor Jordan McGaughey, and people from his church helped many Muslims understand the Christian faith. We were filled with God's Spirit and God gave us victory. His anointing was very evident.

After our meeting with the Muslim leaders and their disciples ended, we stayed until the Mosque closed their doors so we could give our book and talk with Muslims inside and outside the Mosque. We were one of the last people to leave.

Visiting a Mosque in Texas

God enabled me to develop rapport with Dr. Muhammad N. Haq , PD, Adjunct Professor, Comparative Cultural and Religious Studies, University of Houston.

He was excited to receive my book as a gift and promised me he would read it. "Glad News" book presents our Christian Faith in the most understandable, convincing, attractive and acceptable way to Muslims, without compromise.

God gave me favor in the eyes of many Muslims inside the Texas Mosque.

... the Good News must be told to all nations. Mark 13:10

PART 2 | God Anointed Samy's Speaking Engagements

Any church that is not seriously involved in helping fulfill the Great Commission has forfeited its Biblical right to exist.

EQUIP YOUR FELLOWSHIP (Christ's Church)
"Training God's people for the work of the ministry."
 (Ephesians 4:12)

After the Members of your Church are equipped, God will Provide Opportunities for them. God will use them more than we can imagine.

Samy spoke at the Sunday morning services and Wednesday at Coast Hills Church, Aliso Viejo, CA

Some of the places where Samy spoke:

1. Calvary, Houston , TX
 2. Calvary, Chapel Coastlands , NJ
 3. Calvary, Chapel South Los Angeles, CA
- After Samy spoke at CCSLA, Senior Pastor David Trujillo told Samy, "That was great!"

4. Horizon Christian Fellowship, Indianapolis
- After the service, Senior Pastor Jordan McGaughey told me, "Samy, a member from our church just came to me crying because God spoke to her through your message."

5. Mountain Gate Fellowship, Corona, CA, A Southern Baptist Church
- I received a message from the Senior Pastor, Mike Yeamans, "Samy, God used you to bless me personally and bless my fellowship."

6. The Bridge Fest Christian Radio Conference, organized by Calvary Chapel Old Bridge, NJ

7. Coast Hills Church, Aliso Viejo
- Pastor Jeff Kotrady wrote to Samy:
 "Hey Samy, Praising God with for the work He's doing! It was great to have you speak at our church. It has been a blessing to hear over the last couple of weeks, stories from our body about how they have shared your book with people. Our congregation was very excited."

God has been using the Speaking engagements He gave Samy to produce abundant eternal fruit

8. I spent a few days giving intensive training to the students of **Horizon Christian University, Indianapolis**. The focus of my messages were to Equip them to Share Jesus Effectively with Muslims.

I explained to them how to answer Muslim objections and questions about the Christian faith, and how to present the Christian faith in the most understandable, attractive, convincing and acceptable way to Muslims. I took advantage that God gave me favor in their eyes (They liked me and even laughed at my jokes!), and shared with them essential principles on how to experience and enjoy God's presence and will. I was even able to share my life's story.

**The Mission
of the
Church
is Missions!**

9. Samy spoke at **Perspectives Class on Finishing the Task of Evangelizing the Unreached People Groups**

This intensive training Meeting, was attended by many Christians who are called to serve in Missions.

After I spoke, I received an email from **The Perspectives Pacific South Regional Director, Jim Witherspoon** :

"Hello Samy, Thank you so much for speaking in the Perspectives Class last night. You did a great job! I appreciate your heart for Muslims and reaching the Unreached People Groups. You connected well with the students too.

- Jim

**10. Samy shared briefly at Calvary Global
Network Conference**

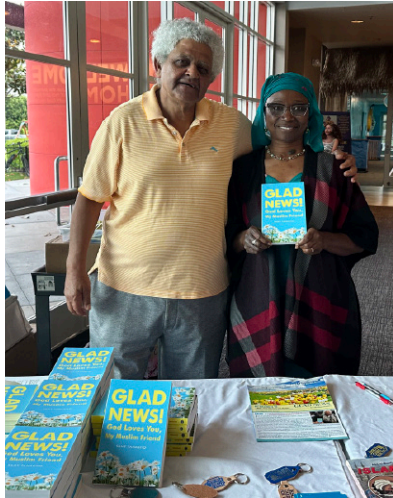

By God's grace, during the few days I spent at the conference with the Pastors, Christian leaders and missionaries that came from overseas and different states, I was able to Equip so many of them. God used our conversations and giving them my book, "Glad News! God Loves You My Muslim Friend!" to enable them to reach Muslims in their areas of ministry.

Chaz took many of our books to give them to Pastors overseas, to Equip them to share Jesus Effectively with Unreached Muslim People Groups in the Middle East, such as Jordan and Syria.

PART 3 : God is Working in more ways than I can tell you, to use us in America and overseas!

- I could write a book telling you about the wonderful things God has been doing, every week, this last year.

- After I spoke at her church, Jeanne D'Arc Gomis asked me to take a picture with her. A few days later after she took many books, she sent me an Email:

"This is Jeanne, the Senegalese lady who works for

the University of California, Irvine, (Study Abroad Director). I will distribute your books to many Christians and Muslim friends here in America and overseas and those that God will bring along my ways. May the Lord continue to use you and bless you abundantly in Jesus' mighty name, I pray.

- God used Craig Olson, a wonderful conservative, Missouri Senate, Lutheran Christian, to open the door for me to train hundreds of pastors and Christian leaders in Ethiopia to Share Jesus Effectively with Muslims.

After some time passed, I received an email from Pastor Abate Shibru. He is one of the Lutheran Pastors in Ethiopia that attended my training. He is the head of the Gospel Department of a synod and a servant of the Lord:

"Dear Samy, Since you came to Ethiopia and gave powerful training to many

leaders and ministers, the stewardship of the gospel has ignited in the hearts of many. You inspired and revived the Gospel messengers for the Great Commission. You touched the hearts of many servants and many have decided to preach the Gospel to Muslims. Many souls are coming to Jesus, Glory to God! and we are planting churches. For example, in my synod we sent many missionaries to the

Muslim community. The photos (withheld for security purposes) I sent you show the hut made of reeds is the church where our people who converted from the Muslim religion worship. Your service and prayers have brought a great revival in Ethiopia. We are planting the churches."

A Note to my readers: Can God use you to open a door for our ministry to produce more eternal fruit?

- I was invited to be a part of a Southern Baptist International Mission Conference at Gateway Baptist Seminary of California. The presenter of the Seminar announced to the Pastors, Bible Students and missionaries that, "**We have Samy Tanagho with us. You can ask him any questions about Sharing Jesus Effectively with Muslims.**" God used us to give many of them our evangelistic book and help them to reach Muslims Effectively.

- I Equipped a team of Chinese Christians to share Jesus Effectively with Muslims before their Mission Trip to Turkey. I remained in communication with their leader during the month they spent in Turkey.

For "Everyone who calls on the name of the Lord will be saved." But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? **Rom. 10: 13-14**

• **God has been using us as a small part of a team that financially supports the Ministry in Egypt, our goal is to:**

1 - Equip more Evangelical Christians to share Jesus Effectively.

2 - Send missionaries to serve in particularly challenging areas, such as Iraq, Syria, Lebanon and Yemen.

These brave missionaries carry the light of Christ into places where it is most needed, because these places do not have a viable Church among them.

Our faith is that God's Word can transcend any barrier and change people's lives.

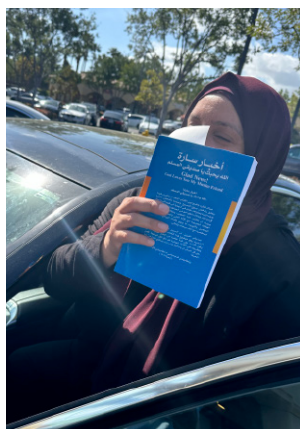

Examples of Muslims coming to Christ.

• I prayed with Lee Baron from Long Beach, CA who had heard my radio program and accepted Christ as his Lord and Savior.

• I received a call from a Calvary Chapel church to train a team that was going to Saudi Arabia. I gave them guidance and instructions on how to approach Muslims and how to answer Muslim's objections and questions. They reported back that the training I gave was very helpful and two Muslims became Christians. God willing, I am planning to go with them next year.

PART 4 : God's gives Divine Appointments

The presence of Muslims in America is one of the greatest challenges and opportunities God has given to us, His church, today. If we pay attention, and share Jesus Effectively with them, they can help us reach Muslims overseas.

• Samy, I gave your book to my Turkish Muslim friend. He said that was the **best and only gift** he has received in the USA. **James Neal, Imagine Church, TX**

• I received a message from Erik, telling me that one of the NRB TV viewers that saw a Glad News Ministry video was very encouraged to share Jesus with her Muslim acquaintance.

"Thank you, Samy, for the faithful witness of Glad News Ministry." **Erik Fritjofson, Director of Programing for National Religious Broadcaster TV**

• I received a letter from a missionary in Uganda: God called me there to help make disciples that make disciples. I run a School of Ministry, we have students from Uganda and Rwanda eager to learn how to share their faith. We need your book to Equip the students to talk about Christ with the many many Muslims who are in East Africa.

Also God is giving us prison ministry. We have Bible study in Bugembe and I do missions in Jinia, Uganda, and some of the areas I serve at are Muslim strongholds.

As the Director of Education, I desire to equip our staff and volunteers to talk with the Muslims they meet, such as in Remand prison, right now there are about 800 men in Remand. Our plan would be to use your book to Equip the Christian prison leaders and Pastors; then, they can Equip their ward leaders. Your book will help Christian and Muslim prisoners.

Divine Appointment at South Coast Plaza Mall

We had a conversation and he promised to read Glad News book and after examining the book he asked me if he could share it with others. I told him, "Absolutely, yes!"

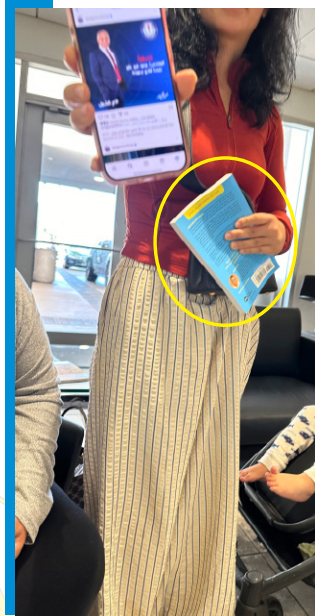

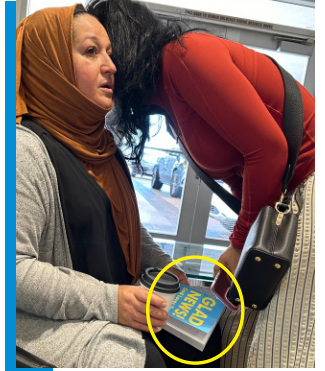

Divine Appointment during shopping for food. I thanked God that buying food is not just a blessing to my body, but also helping me to fulfill my calling!

While I waited for my car to be fixed I was able to give her a book.

I live in Orange County, CA which is the home of hundreds of thousands of Muslims, and hundreds of thousands more Muslims come to Southern CA during the year to study, visit their families, for medical help, as tourists, and to do business.

An important part of my job is to share Jesus Effectively with as many of them as possible.

Muslims are thirsty people drinking from salty water.

A Muslim Physician I met at a restaurant.

God gave me favor and he was excited to take a picture with me. I was more excited about the divine appointment!

Subject: God is using your channel in a powerful way!

To: samy@gladnewsministry.com

I wanted to share the incredible way God is using you and your ministry. My name is Rebecca and I work as a paralegal in Family Law in Parker, Colorado. About a month ago, we obtained a new Muslim client, Nigora, who came to us seeking a divorce from her physically and verbally abusive Muslim husband. She has 3 daughters that are being heavily influenced by her husband and Islam. The Lord has put a heaviness on my heart for her, her daughters, and her situation. However, I don't know much about Islam or how to witness to Nigora . As I've been praying for her and for resources, the Lord brought me to your channel. Late Sunday night I came

down with a cold and couldn't sleep so I got up to listen to 89.7 Grace FM. At this time Samy was on the radio and his message was so powerful and when I heard of his book and his website, I knew it was from the Lord. I wrote down as much information as I could including the phone number. When I spoke to Samy the Lord used him to encourage me and give me some direction in how to best minister to my Muslim friend. I'm going to be ordering a book for Nigora and one for me because I believe it will give me wisdom on how to minister to Muslims and share the love of Christ.

Thank you so much for your ministry and your service, I pray the Lord grows your ministry because it is very much needed. If you could please keep Nigora and her daughters in your prayers especially that they would come to know Jesus Christ as their Lord and Savior.

My booth at the Bridge Fest Christian Radio Conference in NJ.

I was so encouraged from meeting some of our Radio listeners

Senior Pastor Lloyd Pulley, (Light green T-shirt on the right side) the leader of the conference invited pastors and leaders from all over the United States for dinner and prayer before the conference started.

We had a wonderful time!

- **Hello Samy, It was good to see you in person this weekend in Ocean Grove, NJ!** I was glad to tell you how you bring such joy when you share your faith in Christ and how you want Muslims to know this same joy! I smile when I hear you on the radio and during your talk today at the conference! I can't help but smile wide and catch the enthusiasm that you have of the love of Jesus.

Thank you so much for your passion and humor! Thank you for signing my book and looking forward to reading it.

God Bless you, Tracy of Calvary Chapel, Old Bridge, NJ

God has been using our ministry to help many thousands of Muslims become Christians. Please examine the evidence on our website.

My prayer is that God will bring to our ministry enough financial support to be able to impact the lives of multitudes of people through Google, YouTube, Social Media, our Website, and Satellite. I am excited because I have faith in God's power and plans.

Samy and Hala Tanagho

I am praying that God will put it on the heart of someone to donate a small building or a house for our ministry.

Muslims are the largest Unreached People Group in the world! Huge numbers of them live in places with NO church among them. Most of the resources God gives to Christian leaders in America is directed to places where the church is already present and the Bible is already taught thousands of times. A very small percentage of resources are allocated to Muslims who live in places without a viable church among them. Our prayer is that God will use us in the process of planting **not the coolest church** in town, but the **only church** in town among Muslims.

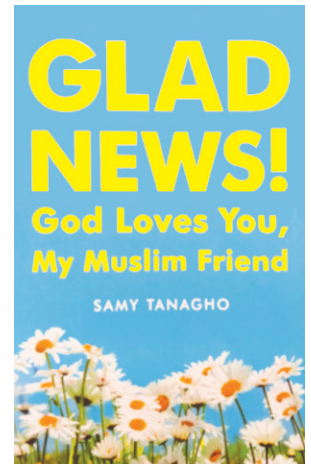

A Message from Samy's book →

As-Salaam-Alaikum my Muslim friend, Because I am a follower of Christ, the Bible is my only holy book, however I find it very interesting and significant that both the Bible and the Qu'ran agree that Jesus' life was the most unique life ever lived.

Both the Qur'an and the Bible agree that:

- 1 -Jesus was not conceived by human means, but by the power of the Holy Spirit of God. Jesus was born of the virgin Mary, without a human father.
 - 2 -Jesus is the only person who lived without committing a single sin.
 - 3 -Jesus performed the greatest miracles.
 - 4 -Jesus ascended to heaven and he is alive today in God's presence.
 - 5 -Jesus has the ability to create living beings and to raise the dead.
 - 6 -Jesus is coming back as a just Judge.
 - 7 -Jesus is the Messiah and He is the Word of God and so much more...
- The Qur'an gives Jesus the title, "A Spirit proceeding from God." Christians believe that Jesus is united to God in One Spirit from all eternity. He took an additional nature, a human nature, and came to earth as God's ambassador. Jesus had two natures: one divine and one human.

My friend, God came to us in the person of Jesus Christ to save us from paying the penalty for all our sins and to live within us.
